

CHI OMEGA SIGMA

Chi Omega Sigma was founded in 1923 by a minister as a Sunday School group. After functioning as such for a few years, the boys decided to adopt a constitution as a fraternity and become the Alpha Chapter with its home at Hughes. Additional chapters have been founded at Western Hills and Woodward.

The boys' social activities include date parties, stag parties, hayrides and its annual Sweetheart Dance. The fraternity also takes part in inter-fraternity athletics which they won this year.

During the 1957 Rushing Season, the rushees were treated to an informal party at "Young's Gambling Hall" and a formal dinner.

After a month of a trying pledge season, the proud pledges were initiated into the life long friendship of Chi Omega Sigma.
