

TRI CHI

Tri Chi stands for character, comradeship and citizenship. The club's constitution states that there shall be no drinking or smoking while a member of the club. This clause is strongly enforced by the club's president.

The club obtained its charter from the Withrow chapter in 1946. The organization was originally an athletic club.

Tri Chi's social functions include their annual school dance, the Top Hat Hop, several date parties, picnics and a couple of hayrides with other groups.

Tri Chi has made several contributions to various charities around the city. Another service of the club is to collect and return the props for the Merry-Go-Round. Tri Chi also joins in the Interfraternity Council Yuletide singing.

The fraternity holds an impressive formal initiation at a member's church. Preceding each meeting there is a prayer given by the chaplain. The fraternity also attends church together once a month.

First Row: Richard Kelly, Al Greber, Len Cavens, Tom Farrell, Richard Boehm, Gary Ganaway.
