TRIGINTA OPTIMI

Triginta Optimi is of Latin derivation meaning "thirty of the best." Since its founding at Hughes in 1895, the members have endeavored to keep up its standards in religion, scholarship, sportsmanship and citizenship. It had been a practice of the fraternity to go to church together each month and maintain a good grade average.

Along with activities planned by the fraternity as a group each year, T. O. sponsors its annual "Junior Miss Dance," date and stag parties and picnics. The club also participates in interfraternal sports, interfraternity and school projects and charitable works.
