7 HIGHWAYS

Someone in passing said
"Life is a road"
A road that twists and turns
Endlessly on as a broad, smooth highway
Endlessly on to some distant horizon.

Life is a road
Each curve holding a new surprise
Each hill a new challenge
Each intersection a new choice.

We stand now at the crossroads
And now we must weigh the possibilities
And we must consider the opportunities
And we must decide on a direction.

One path to business, one to industry,
One to military service, and one to college.

Life is a road, a highway,
A boulevard of dreams and hopes and ambitions
Stretching as far as the mind can see,
All of it ahead of us.

Don't look back.

HI · HO · HI · HO ... IT'S DOWN

THE ROAD WE GO . . .

THESE HAVE

TRAVELED HUGHES' HIGHWAY . . .

ALL ROADS LEAD TO HUGHES

ELMER WINFIELD KIZER

Throughout his many years of service as teacher, advisor, assistant principal, and principal, the names of Elmer W. Kizer and Hughes have been synonymous in the field of education. He has been, since his arrival in 1919 and his founding of the Hughes Club, a leader and friend of the student.

His support of Hughes has by no means been narrow or confined to one or two facets of education. Always keeping in mind the education of his "flock", he has encouraged participation in athletics, activities, and organizations to enable each student to have a well rounded school life.

We, the Class of '58, are proud to have learned under and spent a portion of our lives with Mr. Kizer. . . . To you sir, we offer our heartfelt thanks for a not so easy but wonderful four years.

"In your travels so far your life has been protected. Your parents have led you around many road blocks and have traveled with you on countless detours. You have had many times during these last few years, driving on the straightways where no real danger seems to exist. What now confronts you as you look at the road ahead is whether you have prepared yourself for the hills beyond. Your high school may truly be your highway to success. I trust it will be. Remember, this success may not be yours until you have passed the next station (college); or it may be yours through early entrance into business or industry; or again in a home surrounded by the love of children. My hope is that Hughes has prepared you adequately for any road you may take. What you have learned here must help carry you through to the end even though the rains may fall and the way be hard to find."

God speed you on your journey—

In 1927 a venture in Journalism, which was later destined for national fame, was begun under the advisorship of Miss Hazel Koppenhoefer. Miss Koppe has seen the Gargoyle, our school newspaper, rise to the position it now holds as one of the top papers in the country. A deep background in journalism achieved by all participating.

Every morning the students are awakened to the cheery voice of one of the announcers over the public address system. Consisting of 12 members, each of whom serves for four weeks, the group announces after school meetings, coming events, and other things of interest. The announcers are chosen by Mrs. Heile, speech and English teacher.

EVER INCREASING KNOWLEDGE OBTAINED FROM LIBRARY

The Jordan Memorial Library is one of the largest Public High School libraries in the city. It is set apart from other libraries by its unique stained glass windows. Staffed by two librarians and a student group, it contains a complete set of the books, catalogues, records, and files that Hughes students require.

VISUAL AIDS TO SERVE YOU BUT NEVER IN THE DARK

Visual Aids, under the watchcare of Mr. Joseph Ayer, bring the students to a closer understanding of the subject studied. Movies, especially prepared, can provide demonstrations which the limited facilities of the instructor cannot. Mr. Ayer's staff of student workers is educated in the use of all necessary equipment.

With a fine staff of science teachers, Hughes High School has long been a leader among schools producing students who succeed in science. Complete with laboratories and full experimental equipment, the science department provides an eternity of knowledge to be picked up by the student. We also have the most modern science department, in the respect of the W.C.E.T. program introduced in our school. A wide choice of subjects in the field of science is available, General Science, Chemistry, Physics, Biology, Botony, Zoology, and Physiology. Throughout the year, speakers lecture on the various aspects of science to auditorium sessions. This inspires students on to new goals in the world of Sputnik.

Secretaries are in constant demand throughout our country. Hughes is helping to meet this demand by training students at a top level. Courses such as typing, bookkeeping, shorthand, secretarial practice, mass production and business arithmetic are offered. Hughes has a city wide reputation for producing secretaries of the highest caliber.

Safety is a big word in the Driver Training course. Under the supervision of Mr. Ralph Sensel and Mr. Wesley Ritchey, the Driver Training students experience actual behind the wheel driving. This later leads to a driver's license and a reduced insurance rate. Requirements of this course are a temporary driver's license and one should usually be a junior or senior.

FOOD AND MUSIC COMBINE TO SOOTHE SAVAGE BEASTS

The scene of a mad rush every day beginning at about 11:30 and ending at 1:00 is the Hughes lunch room. Stormed every school day, rain or shine, the lunch room has miraculously survived. In front of all this rush is the hard working, much loved lunch room staff, a staff composed of women and students. All of the delicious food is prepared by women cooks under the direction of Miss Raible. Lunch line guards and cashiers are students. The students receive a thirty-five minute lunch period, most of which is contained in the fourth bell. The lunch is served cafeteria style, with a wide variety of meats, vegetables, deserts, drinks and salads. Each student carries out his own tray upon leaving the lunchroom. A crew of women and students then prepare the utensils for the next day. As an added attraction, "canned" music makes the lunch hour more pleasant.

The office staff of a school as big and as busy as Hughes is must, itself, be very busy. The sextet of office workers, who take care of the manifold secretarial duties at Hughes, deserve credit for work well done. The office staff takes care of such jobs as the announcements, typing and mimeographing the absense list, the other including handling correspondence and phone calls. As previously stated, the Hughes staff consists of six workers. They are Mr. Kizer's secretary, Miss Kohrmann, Mr. Ayer's secretary, Miss Clifton, Mr. Scheurer's secretary, Mrs. Tepe, front office, Mrs. Tharpe and Miss Hoffman, and school treasurer Mrs. Bryant.

THE SENIOR CLASS OF 1958

These teachers, Mr. Bowers, Miss Heile and Miss Schawe are in charge of the three senior home-

rooms. They also sponsor any project or undertaking of the Senior Class.

Roads, highways, paths, and streets. All leading somewhere, "but where?" ask we, the seniors. Are we prepared to go out into this world of trials and tribulations; are we prepared to choose and successfully travel a turbulent road?

High school was just the beginning of the road for us graduates; preparing us to meet problems with an intelligent and healthy view, helping us to decide our life's occupation and giving us a basic knowledge of our world. From these four years some speed into work, military service, marriage and others continue their education in college. Yes, our

high school years have played a great part in our lives, no matter what road of life we follow.

We hope to remember our HUZ years, filled to the brim with activities. We have seen M-G-R seasons pass right before us, we've experienced the thrill of watching our championship basketball and football teams in action and above all we've had the fellowship of other young people.

So we, the graduates, thank Hughes for four progressive years.

1958 ANNUAL

This year's annual has been dedicated to Mr. Elmer W. Kizer, retiring principal of Hughes. A senior publication, the annual has been sponsored by Mr. Robert Portune for the past two years. The work on the annual actually began several weeks before school ended last year with the selection of the staff by Mr. Portune. After a theme was decided upon, the section editors proceeded to make rough sketches of their sections. These were taken to Nashville, Tennessee, by Mr. Portune and the co-editors, Barb Hafner and John Morrison. Here, the printer made up a dummy of the entire annual which served as a blue print for the staff. Scheduling and cropping pictures, writing copy, headlines, and captions were the main jobs of the staff. The work of the annual staff is complete, but the memories which their efforts will bring have just begun.

The Hughes High School Choir has again maintained its traditional position as one of the top high school choirs in Cincinnati. In addition to its participation in the Merry-Go-Round, Hello Hughes program, Thanksgiving, Christmas and Easter Assemblies, and in the Christmas and Spring Concerts at Hughes, the Choir has involved itself in many activities outside of school. One of the more prominent of these was singing with a combined high school choir in a program for Western Ohio music teachers. The Director of the Senior Choir, Mr. Bige Hammons, has been at Hughes for four years. Added to his multiple duties at Hughes, Mr. Hammons directs the Orpheus Club, and established men's singing group, sings in the Drama Music Guild, and teaches voice at the College Conservatory of Music. From Senior Choir, Mr. Hammons selects the Ensemble, a group of around twenty-five. Noteworthy of the Ensemble's numerous activities is a WKRC television program at Christmas. All is not work with no play for the 306 songsters, for their curriculum contains at least two social functions annually. The Choir banquet, a traditional fall event, is a memorable occasion for every choir member. The Choir picnic, held in Winton Woods, can be called nothing less than fun with indigestion for everyone.

THE HUGHES HIGH SCHOOL BAND

MR. KARRICK

Forming an island in the middle of the ocean is the Hughes Big Red Band.

The Big Red Band Salutes Mr. Elmer Kizer.

Under the capable direction of Mr. Cecil Karrick, the Big Reds' Band has brought Hughes much praise and credit through the clever formations and precision drills enacted during half-time shows. Bespectacled Mr. Karrick, who is a graduate of the University of Kentucky, taught at Eastern High School in Louisville before coming to Hughes. Highlighting the series of outstanding half-time shows was a special show dedicated to Mr. Elmer Kizer, Principal. Mr. Kizer was presented with a watch. All of the faculty members were also honored by being given an apple. A special show was also devoted to honoring the parents of the band, football, and cheerleading members. Exhausting weeks of practice before school starts at Coy Field and the long sixth bells which extend to nearly 4:00 P.M. will long be remembered by band members and majorettes along with the hectic bus rides to out-of-town games. But most of all they will remember their tireless and loved instructor. The band has also provided a lasting memory for the rest of the student body of band members clothed in radiant red costumes cavorting with the eight lovely majorettes.

Hughes orchestra has been a great asset to the school. Not only does it provide music for the various activities, but it offers a great opportunity for the students desiring a musical education. Any Hughes student wishing to learn to play a wind, reed, or string instrument has the opportunity to do so. Students gain a valuable knowledge in the care of and the techniques in playing instruments, in the appreciation of good music, and in the lives and works of great composers. Participation in the Hughes Merry-Go-Round is one of the most important productions of the orchestra. It calls for great sacrifice of homework when practicing into the evening.

Miss Mary Elizabeth Pollard, sponsor of Thespians and Sages.

Sages, the dramatic club at Hughes, is sponsored by Miss Mary Pollard. The club holds monthly meetings and presents a play every year. The most interested and active of the Sages are chosen for Thespians, the National High School Dramatics Society. The play presented this year was "Around the World in 80 Days." The plot concerned the actions of Mr. Phileas Fogg, an English gentleman, who has wagered twenty thousand pounds that he can go around the world in eighty days in the year, 1872, and of Passepartou, Fogg's French servant. Fogg and Passepartou are hampered in their journey by Mr. Fix, a police detective, but all ends well with a Hindu Princess to boot.

Scenes from the student production, "Around the World in 80 Days."

Managing Editors Valorie Rapp and Ed Berghausen.

Hughes "Gargoyle" has become one of the outstanding student publications through the tireless efforts of Miss Hazel Koppenhoefer, better known to her pupils as Miss Koppe. The editors of this four page weekly are chosen from Miss Koppe's journalism class on basis of their ability and willingness to work. Their responsibilities include making up a dummy sheet of their individual pages which shows the printer how to arrange the material, editing copy, writing headlines, supervising others who write for their page, and Friday trips to the printers to proof read their creation. The remainder of the staff is composed of students who are interested enough to work after school on Mondays and Tuesdays and to contribute articles. Advertisement and circulation are departments in which students also serve. Besides keeping Hughes well informed and backing all of her activities, the "Gargoyle" contributes to "Dateline," an article for teen-agers in "Good Housekeeping," and sees that Hughes is represented in the city newspapers' youth sections.

Miss Hazel Koppenhoefer, Gargoyle Advisor.

THE JUNIOR COUNCILORS

Fred Nantz and Mary Ann Reitman are helping Tony Black write a letter to a Junior High student who is in the hospital.

The Junior High Student Council was formed to help the Junior Highs become part of Hughes Student body. The Council has helped the Junior Highs become an important part of Hughes High School.

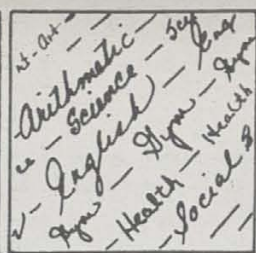

Some of the many projects encountered were Clean-up Campaigns, Christmas Caroling at the Deaconess Hospital and Good Samaritan Hospital, and also writing get well letters to those Junior High students who have been ill for a long period.

The Junior High Students Council does its part in building our highway to good school citizenship.

ELEVENTH GRADE FLU VICTIMS

MUSIC TRAVELS ALONG THE ROYAL ROAD

The Junior High Choirs are elective courses and anyone in the Seventh, Eighth or Ninth grades can get into one of the choirs

Through the year they developed musically, learned appreciation for good music and how to read music.

Some of their performances included the Hello Hughes program, the Thanksgiving program, the Christmas Concert, the Spring Concert and a program at Easter time. Outside of school they were in the May Festival held at Cincinnati Gardens.

It is hoped that most of these students will continue with their music in their remaining years at Hughes.

JUNIOR BAND did not perform as much this year as it is used to and was mainly a training band. The bandsmen learned to read music and found the instrument which they are best suited for. In the spring they were ready to perform in the Spring Concert. They did a fine job and made Hughes richer in the musical field.

THE JUNIOR HIGH SPORTS in GAA included soccer in the fall, then basketball, in February volleyball, and in the spring softball.

There were three playdays for Junior High Sports. They were in October, January, and March and were held at Walnut Hills, Withrow, and Central.

The Junior Highs were also allowed to take part in the individual Senior sports such as ping pong and shuffle board.

JUNIOR HIGH ACTIVITIES

The Junior High Science Club, started in December of 1953, was the first club composed of seventh and eighth-graders at Hughes.

Miss Helen Betty Neuman is the capable sponsor and has helped greatly to develop the organization.

Various speakers, movies, slides, and other ways of having information showed the young people how their daily lives are affected by science.

"Little sisters" to the girls in the Senior Y-Teens are the members of the Junior Division of Y-Teens. The Club is sponsored by Miss Diane Scott, a new teacher at Hughes this year.

This year's activities included a successful Ice-Breaker Party, bake sale, visiting the county home, and singing Christmas Carols.

The season started early for the Big Reds this year. The week after school started, Hughes was engaged in the 10th Annual Pigskin Preview. Once again, the teams were divided into the Rangers and the Raiders. In the first game, Hughes played Central, and fought a scoreless tie. The Big Red defense was much improved over previous years, and was led, in this contest by Larry and Walter Walker, and Howard Denham. The score of the second game was 0-0, as Hughes again showed fine defense against Walnut Hills.

In the first game of the season, Hughes fell way short of victory, 34-20, at the hands of Lima. The Big Reds were plagued with mistakes, and all breaks were to the advantage of Lima.

The mighty Roger Bacon team, subdued a determined Hughes team.

Although Hughes did not score, they looked better than the score showed. However, the offensive drive of our team started too late, and the Big Reds went down in defeat, 28-0. The key men in the game for Hughes were Ken Peters and Bob Banes.

Scott Tyler led a fierce attack against the "Middies" of Middletown, but fell short of a victory, 27-19. The Hughes defense, after giving up 27 points in the first half, held Middletown scoreless in the second half. Tim Fleming showed fine punting when the offense was unable to connect. "Scotty" intercepted a "Middie" pass, and was on his way for another T.D. when time ran out.

The following weekend, Hughes played host to the Hamilton "Big Blue" at Trechter Stadium. Tim Fleming intercepted a

Hamilton pass, and Scott Tyler and Larry Hughes drove deep into "Big Blue" territory. However, the Bid Reds were unable to move the ball across the Hamilton goal line. Later, "Scotty" recovered a Hamilton fumble, and followed it with a long run. Hughes lost 21-0 but not without putting up a good fight.

Hughes opened their P.H.S.L. League play against Woodward. In this game the Hughes offense started to click. It looked like Hughes was going to have a victory, but the Bulldogs were not to be denied. Hughes was leading 25-18 with just 46 seconds to play when Woodward connected with a long touchdown pass. The conversion was good and the game ended 25-25. Fine defense and offense were executed by the Big Reds.

took the opening kickoff and kept possession of the ball until they had scored. The Big Red offense was once again led by the fast running, high scoring halfback, Scott Tyler. Hughes fought hard, but once again, lost to a more powerful foe 25-13.

Hughes' third league foe was Walnut Hills. The game was even for the first twelve minutes of play but then the Eagles struck. The Hughes defense weakened and Walnut halfback, Larry Cox, scored on long runs. Scott Tyler again showed fine offensive ability for Hughes and the score wound up Walnut Hills 25—Hughes 12.

Finally the tide changed and Hughes trounced Western Hills, preseason choice for League Champ, 20-0. Once again "Scotty" ran wild and scored on touchdown runs of 7, 51,

and 56 yards. Bob Banes also did a creditable job on offense for Hughes. Jesse Hodges intercepted a Mustang pass, which later resulted in a T.D. for the Big Reds. Hughes, after a disappointing start, had started to roll.

The next encounter was against the Taft Senators. The Big Reds kept up their determined spirit, fine defense and great offense to wallop the Senators 37-13.

Hughes gridders ended their season against their arch-rival, Withrow. The game, the year's most important for both teams, was fought hard and well. Hughes was led by Scott Tyler and the Tigers by John Milhouse. Don Osswald's T.D. coupled with "Scotty's" two were not enough to overcome Milhouse and Company as Hughes lost 32-20.

THE BOYS FOUGHT HARD IN SPITE OF LOSSES

Three Men Leap for the Pass, But Who Got It?

The 'brains' of the outfit was once again Howard Thomas. Since coming to Hughes Coach Thomas has had some excellent teams. However, he holds no regrets to the record of this year's squad and is, in fact, very proud of them. Mr. Raymond Hartker coached the Varsity backfield as he has in recent campaigns. Mr. Lloyd Williams has been coaching Big Red teams for the past three years, since his graduation from Miami University. He is a 190 lb. pack of dynamite and is used to get results from the line.

Coach Willard Hundemer, Mr. William's counterpart, was in charge of the Reserves this year, although he did help in coaching the Varsity.

Once again, the Hughes cross country team ran away with the P.H.S.L. and District titles. In winning the three city meets, Hughes tallied a total of 46 points in the first, and even better 35 points in the second, and 61 points in the third, due to bad weather conditions.

This year's championship team was very ably led by senior Terry Davis. He finished first in all three P.H.S.L. meets, and 4th in the District meet. Running alongside Terry were Bill Lower, Tom Whitaker, Charlie Schneider, and Tom Jenkins.

Following in the footsteps of their champion "Big Brothers," the Hughes reserves also won their P.H.S.L. title. The reserve team was highlighted by Luther Lyle, Tom Farrell, and Larry Ratliff.

An addition to the Big Reds team this year, is coach Jim McDonough. His first year in coaching has proved to be a very excellent one.

There are high hopes of the teams repeating their fine record again next year.

ADOLPHUS WARD

GEORGE MITCHELL

The 1958 basketball got off to a slow start when Hughes lost to their first two opponents, Anderson and St. Xavier. The fast-breaking Redskins ran to a 74-56 victory over an inexperienced Big Red squad. Junior, Tom Whitaker turned in one of his most impressive drives as he tallied 28 points.

St. Xavier, preseason choice to win district laurels, ran into a determined and vastly improved Hughes team. The lead exchanged hands throughout of the game, but "X" emerged victorious 66-55.

Hughes then beat their "neighbor rival" Roger Bacon, 52-47. Again Whitaker and Adolphus Ward led the Big Reds in what was the start of a six game winning streak. The Big Reds then ran over a highly favored Woodward team 48-41. The Bulldogs, surprised by the "Oklahoma State offense" employed by Hughes, dropped their first league game. Center Stacy Bunton kept 6-11 Ron Ries in check as the season's first "upset" was registered.

Hughes kept its streak alive by beating Monroe 70-66, Walnut Hills 66-59, Western Hills 56-51, and Central 69-67. The Big Reds also held down first place in the PHSL with a perfect 4-0 mark.

The game with Taft was a battle to decide who would own 1st place. The "Cliftonites" fought hard but couldn't outscore Dave West and Com-

pany. Hughes lost 56-44 and vacated the top rung of the ladder.

Next came our age old rival Withrow. Hughes started too slow and was at times down 15 points to the Tigers. In the fourth quarter the Big Reds caught fire and started closing the gap. But time was against them and they lost 52-50.

Woodward, still nursing the wounds of their loss to Hughes, was out for revenge. The Big Reds weren't "big" without 6-7 Stacy Bunton and lost 67-53.

As Hughes went through the second round of league play all the teams were out to avenge earlier losses to the Big Reds. The loss to Stacy Bunton, a fine rebounder with good potential, was the difference, and Hughes lost several games.

Despite George Mitchell's fine performance Hughes succumbed to Walnut Hills, 66-61.

The Big Reds bounced back to make it two in a row over

West Hi and won 60-52. Central avenged their early season loss 80-65.

The regular season ended with sweet revenge when Hughes met Withrow. Forrest Buckley, playing one of his finest games of the season, led the way to a 66-60 win.

A "black cat" crossed Hughes tournament path when Madeira tripped the Big Reds 63-54.

All in all the team broke even, winning and losing nine games. With the return of 3 starting juniors, Tom Whitaker, Forrest Buckley, and Stacy Bunton, plus the addition of reserve star, Tom Farrell, the Big Reds should experience a better season next year.

The reserve squad, piloted by the No. 1 "gunner," Lloyd Williams, had a mediocre season. They too had a .500 season winning and losing six games. They practiced hard and showed great improvement. Many of these boys will see action with the varsity next year.

Varsity Practices in Auxiliary Gym

Coach Paul Reichert's "musclemen" were hampered by injuries and lack of returning letter men. Early in the season, two of the most promising boys, Pete Matchee and Don Wilmuth, suffered injury. But, the team worked hard, and tried to overcome their setbacks.

The outstanding performances this year were turned in by the Tyler brothers, Scott and Martin, Tom Farmer and Roger Wedgewood. The Tylers gained P.H.S.L. points on the side horse, Farmer and the rings and rope climbing, and Wedgewood the parallel bars and the ropes.

A couple of boys who looked promising for next year's team are Elliott Williams and James Powers.

In previous years, the gym team has had an 18-year winning streak in the P.H.S.L. meets.

BIG SPLASH! HIGH HOPES GO DOWN THE DRAIN

The "Big Reds" mermen, concentrated their efforts on the development of the younger members of the squad. Although the Hughes swimmers didn't come home with the laurels, they were by no means a disappointment. The competition from the other schools was tremendously keen this year.

Seniors, Richard Zucker and Joe Compositor were the back-

bone of the team. Each boy registered points for the Hughes team in the P.H.S.L. meets held at Central.

Several underclass members of the squad look very promising for the future. A few of these fellows are Cleon Windgart, Ray Nulsen, and Richie Hollmeir. The future hopes of the team lies upon the shoulders of these boys, and the excellent coaching of Mr. Will Hundemer.

The baseball season brought a number of eager players to Coy Field this year, but comparatively few of them were pitchers.

Coach Ray Hartker's baseball squad has a great future. However, this statement may be made only with the inescapable big "if" the pitching talent develops.

There are only a few seniors on the team this year, Paul Fleming, Glen Welch, and George Mitchell. No matter what this year's squad should do (and they should do well), Hughes's baseball future looks good.

Left to Right: Ken Peters, Tom Parthenekis, Paul Fleming, and Hap Cronin get a pre-game briefing from Coach Hartker.

“TRACKMEN HIT THE ROAD . . .”

Coach Reichert gathered his "gang" together, and got under way the first of March.

Despite the few returning letter-men, among them co-captains Scott Tyler and Terry Davis, Mr. Reichert believes this years team has possibilities. The boys have the ability, if they have the desire.

Some of the varied activities included in Track are: pole vaulting, shot putting, discus throwing, and running. In the running events, Hughes is indeed fortunate in having an exceptional athlete, Scott Tyler. Last year he set records in the 100, 110 high hurdles, the 220 and the 180 low hurdle races. The other races are the 440, 880 and the mile. The mile races will most likely be won by P.H.S.L. champion runner, Terry Davis.

Ron Bailey, Terry Davis, and Tom Farmer await the gun.

NETMEN LINE THE FENCES

The '58" Hughes Racquet men, under the direction of Coach Howard Grimes, looked forward to a promising season. The loss of two letter men hurt the squad but their shoes were filled by Jim Daken, Don Osswald, and Ken Keller.

Cold weather and snow kept the team from practicing early this year, but with the advent of warmer weather, the net men swarmed the courts and began to work on their strokes.

Coach Grimes placed the main emphasis on form and under his guidance, the boy progressed rapidly.

Jim Daken, a junior, held down first singles while Don Osswald and Ken Keller filled the other singles assignments. First doubles was played by John Morrison and Steve Ranker.

Mr. Grimes experimented with second doubles to find the best combination.

Left to Right: Bob Keller, Dick Yelton, Charles Phillips, Richard Slack.

Hughes High can consider itself very lucky when it comes to the sport of golf. For many years now, the golf team has been organized and coached by Mr. Morgan Jones. You would have to look far and wide for a better coach, because Mr. Jones is a professional golfer. In the summer he teaches lessons at the California Golf Course. In the winter, he has classes several nights a week.

The golfers are at a disadvantage this year, as they are every year, in that not very much interest is taken in the sport around school. Consequently, there is just a small group representing Hughes, a school of nearly 3000.

This year the team is composed of Charles Phillips, Richard

Slack, Dick Yelton, and Bob Keller. Hughes' chance for victory rides on these boy's shoulders.

Following is a copy of this year's schedule, and where they are to be held.

Mon.—April 21: Huz vs. Woodward at Losantiville

Mon.—April 28: Huz vs. Western at Western

Mon.—May 5: Huz vs. Walnut at Kenwood

Mon.—May 12: Bye

KEGLERS STRIKE NEW LANES

The 1958 varsity has three returning lettermen. They are Ron Ranson, Bob Grasser and Jerry Ehrnschwender. At the time the Annual went to the printers, the "Big Red Keglers" were in third place, looking forward to moving up.

In previous years, the varsity bowling team has been picked from the highest bowlers in the various inter-school leagues. But this year there was not enough interested in bowling to

have several leagues. As a result the six boys with the highest averages and the most interest were chosen to represent Hughes.

This year Hardisty Bowling Lanes played host to the Big Red team. The one inter-school league at Hughes bowled at St. Georges Lanes in Corryville.

In the past few years, Hughes has had many first places in the P.H.S.L.

BASKETBALL COURT NOW IN SESSION

Fast action and good sportsmanship made up the basketball season. Led by Livia Kalejs, the girls practiced after school on Tuesdays and Thursdays for the playday. Dribbling and foul shooting were mastered under the supervision of Miss Mary Busser.

An event of interest is the annual "Battle of the Sexes" game in which the Hughes girls exhibit their skill against the masculine gender. Following the game, a dance is held at which "Mr. and Miss Hughes" are crowned.

The jump, and the game is underway.

"Strike three, you're out!" and "Duck, I've got it!" resounded in Fairview Park at the opening of the softball season. Eager G.A.A. girls swarmed across the baseball diamonds and begged the sports leader, Jody Drohan, to let them play their favorite position.

Miss Verlie Meyers, sponsor, calmed the girls and practice for the playday, Spring Sports Day, was begun. The participants were divided into teams and a captain was elected from each. The team captains then assigned each girl to the position she had chosen and arranged a batting order.

Softball was played two days a week after school, and Hughes was well represented at Lunken Airport in the inter-city competition.

For the first time, spectators did not have to risk their lives watching archery practice. Since the sport was held in the spring, it was held outside.

Under sports leader, Carmen Bereskin, and sponsor, Miss Mary Busser, the girls had some new target faces to aim at.

In intramural tournament was held in two classes, the Beginner and Intermediate. The tournament advanced from twenty feet to thirty, then to forty feet.

This ancient sport has become increasingly popular. The girls nursed sore arms and hands from the snap of the bow-string so they would be ready for Spring Sports Day held at Lunken Airport. There, competition was held between the various public schools.

ABOVE

This year, tennis was played during the fall season. Instead of the usual white shorts, blouses, and tennis shoes, the girls were seen wearing slacks and sweatshirts. Tennis was held at the Coy Field tennis courts on Mondays and Tuesdays.

Under the direction of Miss Verlie Meyers, the girls learned the fundamentals of serving and returning the ball. This year, seventy girls turned out for the sport, more than ever before.

Gay Stocker, sports leader, drew up tournaments for both beginners and advanced tennis players. By the process of eliminations, the competitive field was slowly reduced until only the top players remained in both classes — Diane Carey, Bobbie Daniels, Gay Leberecht, and Carolyn Clark. However, due to the early arrival of winter, the finals of the tournament were postponed until spring.

PLUNGING IN

Above

The swimming club, under the supervision of Miss Diane Mergler, sponsored a water pageant for the first time this year.

The pageant, given in the boys' pool, had one afternoon and one evening performance. The theme was a shipwrecked sailor and the sights he sees while marooned on an island.

There were eight groups participating in the pageant. Norine Muhlberg, sports leader, supervised practice every night after school. Each group practiced one night for half an hour with their individual heads. Group leaders were C. Bereskin, P. Cox, N. Muhlberg, R. Neumann, N. Shawman, S. Spiess, J. Wendell, and S. Williamson.

A free swim was held after school one day a week, the day varying with the season. A swim meet was held in the spring, for which tryouts were held.

Below

Volleyball, a winter sport, was played after school on Tuesdays and Thursdays. The sponsor was Miss Verlie Meyers, and the sports leader, Carol Elwood. The girls practiced diligently to learn the basic techniques of serving, receiving, and scoring the game.

The participants were then divided into eight teams, each with a captain. These teams played a tournament during the sessions after school. The captains of these teams were: Sandy Hughes—team one, Sue Pedretti—team two, Bobbie Johnson—team three, Romaine Neumann—team four, Viola Macklin—team five, Kathy Penter—team six, Patricia Elahee—team seven, and Sylvia Pinkney—team eight.

After the tournament was completed, the girls began practicing for the playday on January 10. The playday was split this year, one-half at Central and one-half at Taft.

Individual sports were played during the winter season in the girls' gym. A glance found girls buzzing from one activity to another, dodging the horseshoes to reach the shuffleboard court. The competition was great, and the line was long behind the ping-pong table. The scorers were desperately trying to concentrate despite the distraction of the girls' screams and the clattering horseshoes and shuffleboard disks.

Nancy Langland, sports leader, and Miss Mary Busser, sponsor, arranged a ladder tournament in all three sports. The girls played individual tournaments until only the best were left, and these played in an elimination tournament.

This year, for the first time, badminton was a separate sport, played on a different day than individual sports. "Watch the birdie," held during the second winter season, was under the supervision of Miss Verlie Meyers.

The playday was held on May 7 at Lunken Airport and included individual sports, softball, and golf. All those who entered Spring Sports Day in individual sports played horseshoes, shuffleboard, table tennis, and badminton.

Crisp fall days found many girls practicing hockey at Fairview Park. Despite bruised shins and sore toes, hockey was played every Tuesday and Thursday after school. Under the supervision of sports leader Jeannette Johnson and the watchful eye of Miss Mary Busser, the girls practiced diligently for the playday. The results of the playday at Withrow were two games won, one tied, and three lost.

Several members of the team attended a city-wide Hockey Clinic where new skills were taught, games played, and refreshments served.

Dottie Harris dribbles the puck into position for a shot at the goal.

Bev Shuck hopes for a strike to top her opponent's score.

DOWN THE ALLEY AND WATCH 'EM FLY

St. George's Lanes buzzed with activity on Mondays after school during the bowling season.

The adviser, Miss Mary Busser, taught the girls the fundamentals of avoiding the gutter and the pin-boys to make them better able to match the boys in the intramural competition.

Instructions seemed to pay off as Pat Bailey, sports leader, scored a high game of 181 and maintained an average of 139.3.

There were eight teams competing. High team was the Wolverines and they could have easily introduced a few candidates for Championship Bowling.

Which Is Which?

FLUID MOTION

This year, modern dance was under the supervision of Miss Diane Mergler. Practice was held every Monday after school with Janet Maynard as sports leader.

Miss Thomas, an instructor at the University of Cincinnati, worked with the girls on technique. Following the instruction at U. C., each high school presented a dance for a dance symposium held on February 20 at Taft High School.

After practicing basic dance movements and patterns to music of all kinds, the girls wrote and presented a dance of their own.

Using the knowledge and experience gained through the instruction from U. C. and the individual dances, the girls pooled their efforts in a presentation in which all thirty participated.

Inter-city Student Council

The governing body of Hughes is the Student Council. Under the supervision of Miss Gladys Kloak, the council sets down rules and regulations for the good of everyone. Hall Guards are an example of the work done by this organization. They are selected to patrol the halls to stop bothersome noise. Each homeroom is allowed one representative to the Council, giving just representation to all. Inter-City Student Council is to promote better relations between schools. Frequent meetings of this division also helps to keep one another informed of important actions.

Hughes Club was formed to establish throughout the school and community high standards of character for its members.

Each year, Hughes Club undertakes a project as a service to the school. Some samples of this action are the W.C.E.T. TV, a portable P.A. and the Trophy Case in the front hall. Each year Hughes Club undertakes its annual pilgrimage to Brown County, Indiana or General Butler State Park, Kentucky. Under the leadership of Kenneth L. Scheurer, this proved to be quite a trip. Funds are raised through the annual John-Alden-Priscilla Dance.

SENIOR HI-Y

Hughes Hi-Y, now known nationally, was brought to that status by Mr. Paul Bowers, club sponsor since 1946. The purpose of Hi-Y is to create, maintain and extend throughout the home, school and community high standards of Christian character. High religious and moral standards are kept by the club's members. Average or better grades are a must to its members as well as participation in extra-curricular activities. Senior Y-Teens, under the capable leadership of Judy Takao and sponsorship of Miss Dorothy S. Hoffman, is one of the oldest clubs at Hughes. At the beginning of the year, the Y-Teeners started their journey down the road with their annual Ice-Breaker party, which renders a hearty welcome to the new members. Throughout the year, the Y-Teens participate in many activities. At Christmas time the club went with Hi-Y and caroled at several institutions and hospitals in the Cincinnati area. Cookies, ice cream and different kinds of fruit were provided for the residents by the clubs. Membership is open to any girl in the tenth, eleventh or twelfth grades who is interested. All the members meet and make many new friends through Senior Y-Teens.

FRENCH CLUB

Le Cercle Francais, or the French Club, whose monthly meetings offer an opportunity for the use and enjoyment of the French language in social conditions, is under the capable direction of Mrs. Mary S. Howell, head of the French Department at Hughes.

Helping the needy and unfortunate at Christmas and sending a C.A.R.E. package to Europe are traditional projects of the organization.

The main attraction each year is the Christmas Party at which two old French traditions are always observed—serving hot chocolate and trimming the tree.

Games, singing and movies have contributed much to this year's fun and education.

JUNIOR HI-Y

Junior Hi-Y was founded this year in order to prepare Sophomore and Junior boys for membership in Senior Hi-Y. Those boys who desire membership must submit an application to Mr. Edgar Hare, Hughes mechanical drawing teacher.

Mr. Hare then checks each applicant on the basis of scholarship, character and outside activities. Those chosen are then formally initiated into the club. Junior Hi-Y was active in YMCA sports and also in activities with the Senior Hi-Y. A basketball team, composed of members was started this year. In April the club sent representatives to the Ohio Youth and Government convention held annually in Columbus. Those who attended the convention learned about the function of the state government, presented bills, debated them, and finally voted on them.

MERCHANDISING CLUB

The Merchandising Club, under the sponsorship of Mrs. Helen Bowers, is limited to students enrolled in merchandising, a co-op program which helps to train people for careers in retailing, wholesaling and service establishments. Upon graduation many of the co-op students plan to continue as full-time employees of their training store.

This year the club has become affiliated with the Distributive Education Clubs of America and the students have had many interesting and worth while experiences participating in the regional, state and national conventions.

The final event of the club's many activities is the awarding of a Savings Bond to the most outstanding merchandise student of the year.

The Ice Skating Club, founded by Mr. Warner this past fall, was so formed to encourage and enliven participation in ice skating. Membership was open to all students in grades nine, ten, eleven and twelve.

The Club does its skating at Cincinnati Gardens and the members receive a reduced rate from the Gardens. Besides going to the Gardens, many of the members took advantage of the cold winter we had and frequented Winton Woods, Burnet Woods and other municipal lakes.

The Junior Council on World Affairs, organized at Hughes last year, and composed of tenth, eleventh, and twelfth grade pupils, is associated with the City Council on World Affairs and receives the City Council's literature. The City Council also provides interesting speakers and films. The main purpose of the Council is to acquaint the students with the happenings of today's world. The highlight of the year is a World Affairs Institute to which six students and delegates from Hughes are sent. The delegates are usually seniors from the Council.

YOUTH FOR CHRIST

Youth for Christ is a national organization, the purpose of which is to encourage the youth of our nation to lead Christian lives and to learn more about the many aspects of Christianity. On Saturday nights, the groups from the various high schools in Cincinnati meet at the Covenant First Presbyterian Church, located downtown. The group at Hughes, under the direction of Miss Ruth Austin, meets every Wednesday. At these times they study the Bible, discuss theology, and occasionally hold contests with groups from other schools. In the past the club has done various types of charitable work, such as visiting hospitals and rest homes.

The members of the Hughes Chess Club supported the school well in the inter-school tournaments this year. In one of these contests Hughes defeated arch rival Withrow, 16 to 4. Under the direction of Mr. Ray Feiler, an excellent chess player in his own right, the club has now been active at Hughes for twelve years.

FUTURE NURSES OF AMERICA

If you're looking toward nursing as a career, the club to see is the Future Nurses of America. Activities include a Christmas Party with the Intercity Future Nurses, a picnic, and a Mother-Daughter Tea. Speakers adorn the programs once a month, and programs provide the members with information on their sought after career. Exhibits and lectures are attended by the members with the gained knowledge transferred to the club.

The newest, yet most active club to claim such distinguished Huzites as its members is Kappa Beta Phi. From its small and inconspicuous start by Mr. Hank Gordon, this Hughes Greek Letter Honor Club has grown both in members and in activities. The members are indeed proud of the Key, and all for which it symbolically stands; the key with which **they** have been entrusted. The society convenes in Room 330 where it plans its many and varied projects. A few of the club's time-consuming functions are wastebasket, basketball, music appreciation, archery, photography, well, for awhile anyway—and some occasional literature. Grand Supreme Imperial Illustrious High Guardian of the Key is Mr. Robert Portune. The club and its members look to the future with hope and a deep sense of futility.

Motto: "PER ASPIRIN AD NAUSEAM."

PEP CLUB

The biggest and most active club in school is the Pep Club. Pep Club is formed to give the school spirit, loyalty and sportsmanship. Buses to games, special cheering sections, majorettes, cheerleaders, drum major and photographs of athletic clubs are but a few of the club's activities. Pep Assemblies and spirit boosters, such as Hughes buttons, ribbons, shakers, megaphones and posters are some more obvious activities of Pep Club. It also conducts the annual Cupid's Fling dance, this year a huge success.

Interfraternity Council is the governing body which regulates the activities of the social clubs. It is made up of representatives, usually the President and Vice-President, of each sorority and fraternity. Each year it is the objective of the Council to do charitable work. Last year, the Sororities and Fraternities distributed and collected Muscular Dystrophy Cannisters throughout Clifton, College Hill and Cummins-ville. Caroling and gifts were taken to the Hamilton County Home, Mt. Healthy Home for the Blind, and the Ohio Eastern Star Home. A scholarship of \$100 is also given to a selected senior at the close of the school year.

Members of Hepta Beta Sorority have the distinction of knowing that they belong to a club whose founding dates back further than any other high school social club of its kind. Originally founded by seven girls as the Alpha Chapter in Detroit, Michigan, it now stands as the Beta Chapter in Cincinnati. Seven glistening pearls, one for each of its founders, on a gold background form the unique pin.

Social activity highlights are the annual Mr. Fraternity-Miss

Sorority Dance, date parties, formals, hayrides, and slumber parties.

Each year Hepta participates in such worthwhile activities as donating generously from their treasury to non-charitable organizations, entertaining at the County Home, Convalescent Home, Thanksgiving Baskets, and participation in Interfraternity Council caroling at Christmas.

All these help to liven up the weekends and also strengthen friendships that often last even after high school graduation.

Created in 1927, the members of Tausia Sorority strive to live up to their goals of high scholastic achievement and high ideals. The strong foundation of Tausia imparts to her members a firm belief in God and encourages the girls to seek new religious and educational horizons.

Among their numerous charitable activities are a visit to Allen House in the spring, contributing a Thanksgiving basket

to a needy family, and making a layette for a less fortunate child.

Balancing these charitable activities is a long list of social gatherings. These include a Christmas and Spring Formal, several date parties, and their annual Mr. and Miss Football Dance held at the beginning of the school year.

The girls of Tausia take great pride in one main group connected with them—their Mother's Club.

In October, 1932, a small group of girls at old Hughes High organized Delta Gamma Phi Sorority. In November, 1934, the name was changed to Delta Kytyves, Beta Chapter. Helping to bring joy into the lives of others with such things as Thanksgiving baskets, parties for the needy children at the Allen House, and caroling at Christmas with Interfraternity

Council have always been an important phase of the Sorority. Included among their social activities are Date Parties, Christmas and Spring Formals and their annual "Mr. Varsity" Dance. Slumber parties occupy the rest of the Kytyves' spare time. All these activities combine to form warm, friendly companionship which the Kytyves girls will never forget.

Phi Chi was formed by the combination of two smaller organizations in 1955. The three pearls in their pin's crown represent lasting love, high morals, and faith in God. Although a comparatively young sorority, Phi Chi is growing rapidly. This year the membership consists of 35 girls. Annual social activities include the "Mr. and Miss Popularity" dance, a Christmas formal, and various date parties, slumber parties, picnics

and hayrides. This year the girls toasted their mothers at a tea. The adoption of 16 six to eight-year-old boys from the General Protestant Orphanage was the charitable highlight of the year. The girls will act as big sisters to the boys even after graduation. Interfraternity caroling, visiting Long View and collecting for the Crippled Children's Easter Drive are other humanitarian activities.

distributing Thanksgiving baskets for the needy and caroling at Christmas with Interfraternity Council. All these functions keep the Delts busy but happy.

ALPHA BETA CHI

Alpha Beta Chi is the youngest local sorority. It was founded in May, 1951, by a small group of girls at Withrow High School. Later, girls from other schools sought membership and new chapters were formed, one of these being at Hughes. The club is noted for its annual fashion show, a formal dance and several charitable activities. The purpose of the organization has been to create lasting friendships, to promote a well-rounded social life for all its members and to encourage loyalty, faithfulness and sincerity throughout the year.

"Lift Every Girl to Her Best" is the theme of Iota Sigma Chi, formerly the Iveyettes club which was founded at Hughes in 1945 by the Alpha Kappa Alpha sorority.

There are now four high schools represented in the club. There are members at Hughes, Withrow, Walnut Hills and Taft. Their purpose is to encourage girls planning for higher education, to stimulate interest groups, to help girls in leadership development, and community participation and use of leisure time.

ZETA PHI EPSILON

Zeta Phi Epsilon sorority was founded in 1956, under the direction of Miss Hazel L. Koppenhoefer, social club adviser at Hughes. The purpose of the club is to create a group for girls of high scholastic ability and the ambition for culture and knowledge. Zeta's motto is to uphold the name of Zeta Phi Epsilon to the very best of their ability and to help their sorority sisters understand the true meaning of "friendship" and "cooperation."

Delta Beta is the oldest fraternal group in Cincinnati, Ohio. The organization meeting was held on Thanksgiving Day, November 28, 1889. The fraternity was incorporated in 1902. The objectives of Delta Beta are to develop character, engender a fraternal spirit, to promote intelligence among its members and in general to exert a wholesome influence in school and community life. Its purposes are to promote benevolent, charitable and social aspects; to encourage hospitality and friendship; culture and social improvement.

There are, at present, five chapters of Delta Beta. They are at Hughes, Walnut Hills, Wyoming, Country Day and Woodward. There are plans of expansion under construction. Social activities include date parties, picnics and dances. The club goes caroling with Interfraternity Council at Christmas and helps the Heart Fund by working with the "Hart Mart."

CHI OMEGA SIGMA

Chi Omega Sigma was founded in 1923 by a minister as a Sunday School group. After functioning as such for a few years, the boys decided to adopt a constitution as a fraternity and become the Alpha Chapter with its home at Hughes. Additional chapters have been founded at Western Hills and Woodward.

The boys' social activities include date parties, stag parties, hayrides and its annual Sweetheart Dance. The fraternity also takes part in inter-fraternity athletics which they won this year.

During the 1957 Rushing Season, the rushees were treated to an informal party at "Young's Gambling Hall" and a formal dinner.

After a month of a trying pledge season, the proud pledges were initiated into the life long friendship of Chi Omega Sigma.

TRI CHI

Tri Chi stands for character, comradeship and citizenship. The club's constitution states that there shall be no drinking or smoking while a member of the club. This clause is strongly enforced by the club's president.

The club obtained its charter from the Withrow chapter in 1946. The organization was originally an athletic club.

Tri Chi's social functions include their annual school dance, the Top Hat Hop, several date parties, picnics and a couple of hayrides with other groups.

Tri Chi has made several contributions to various charities around the city. Another service of the club is to collect and return the props for the Merry-Go-Round. Tri Chi also joins in the Interfraternity Council Yuletide singing.

The fraternity holds an impressive formal initiation at a member's church. Preceding each meeting there is a prayer given by the chaplain. The fraternity also attends church together once a month.

TRIGINTA OPTIMI

Triginta Optimi is of Latin derivation meaning "thirty of the best." Since its founding at Hughes in 1895, the members have endeavored to keep up its standards in religion, scholarship, sportsmanship and citizenship. It had been a practice of the fraternity to go to church together each month and maintain a good grade average.

Along with activities planned by the fraternity as a group each year, T. O. sponsors its annual "Junior Miss Dance," date and stag parties and picnics. The club also participates in interfraternal sports, interfraternity and school projects and charitable works.
