Studying and producing fine choral music at Hughes-town is the primary function of the Hughes High School Senior Choir. The Hughes Senior Choir has always been an outstanding chorus in Cincinnati. Directing the 120 songsters is Mr. Bige Hammons, who has held this position for five years. Under his leadership the Senior Choir has become one of the leading organizations at Hughes.

The Senior Choir takes pleasure in singing for the Thanksgiving, Christmas, and Easter assemblies, as well as the Merry-go-Round and the annual Christmas and Spring Concerts. Many students will long remember the inspirational singing of the Senior Choir. Aside from singing at school functions, the choir sings for various clubs and groups in the Cincinnati area.

All Senior Choir members look forward to the annual initiation banquet in the fall and the spring picnic at Winton Woods.
