Hughes football games. Ably assisting the band were the high-stepping majorettes. The Band has always been noted for precision drills and marches.

This year, the Band was especially proud of their half-time show for Teachers' Recognition Night at Trechter Stadium. The Band brought an apple to the teacher, not realizing there was a worm in it! A special added attraction at half-time was the basses, featured in their rendition of "Rebel Rouser". Always a familiar sight was the Band in the block H-formation playing the Alma Mater.

The Band followed the football team to all the out-of-town games, also. With the Band traveled much school spirit.

Pep assemblies would have been lifeless without the Band and Majorettes. When the fight song began, everyone gained added spirit and enthusiasm.

Other activities of the band included playing for the Christmas and Spring Concerts, as well as the annual Band Assembly. This year the Band had the privilege of marching in the Cincinnati Christmas Balloon Parade.

Bandsmen are rewarded for their hard work and faithful service with Hughes letters.

The Big Red Marching Band forms an "H" as seniors are honored at half time.
