

The candid camera catches the string quartet at an after-school rehearsal.

The orchestra worked every day under the direction of Mr. Gilbert Curtis. This year the orchestra consisted of approximately forty members.

The orchestra, like the band, played a full concert season. The orchestra's activities included playing at the Christmas and Spring Concerts.

This year three members of the orchestra went to the regional orchestra at Oxford. One orchestra member was invited to play with the All-State orchestra.

A special orchestra was selected by Mr. Curtis from both band and orchestra to play for the Merry-go-Round. Much work goes into the preparation of music for the Merry-go-Round and long rehearsals keep the students constantly busy.

The orchestra serves many purposes. The student in orchestra can greatly enrich his musical education. Any student wishing to play a reed, wind, or string instrument is welcome to join the orchestra. Valuable experience is gained in playing techniques and appreciation of good music.

Classical Airs Keynote Orchestra's Activities

FIRST ROW: (left to right): C. Vischer, P. McNeil, M. Collier, M. Hollstein, J. Goetz, D. Reaves, C. Brockhuis. SECOND ROW: D. Cox, C. Reynolds, R. Smith, J. Daugherty, L. Poe, L. Gall, J.
