

Athletics play a very important part in the over-all program for the citizens of Hughestown. Those who participate in the various sports develop athletic prowess, learn teamwork, and practice good sportsmanship. The keen competition among Cincinnati schools enables the Hughes student body to build up greater loyalty and school spirit. The accomplishments of the many winning teams that have had the name "Big Reds" and the achievements of the many fine athletes who have come under the influence of the Hughes coaching staff help to bring recognition to Hughestown.
