TENNIS TEAM
Livia Kalejs and Judy Rolfert keep Hughes' tennis team on the top.

Hockey

Fairview Field was invaded each Tuesday and Thursday by twenty-six hardy Huzites. The rudiments of hockey were taught by Miss Mary Busser, and the sports leader, Meredith Goebel. A few bruises and sore muscles were accumulated as the girls got ready for the playday in which the six major high schools of Cincinnati participated. This year the playday was held at Withrow High School. Hughes had a record of one tie and three losses.

Tennis

Unlike any other sport, tennis is held both in the fall and in the spring. The girls trotted down to Coy Field's tennis court each Monday afternoon. Miss Busser taught the beginners the basic strokes while Judy Rolfert set up an elimination tournament. At the end of the season a tournament was held at Lunken Airport with teams from all the Cincinnati High Schools participating.
