In the splash!

"Yeah! a homer and it's mine!" was one of the shouts heard by Hughes G.A.A. girls as the softball season opened. As each girl took her turn at bat, she received helpful advice from the sportsleader, Emily Mueller. The girls were divided into a number of teams, each having its own captain. With each practice, the teams improved for the playday at Lunken Playfield.

Girls going out for swimming were kept busy throughout the year. In the beginning of the season, tryouts were held for synchronized swimming with Mrs. Ziegler and sportsleader, Sue Spiess, judging. In the winter the swimming team was chosen and the girls began practicing for the swimming meet at West Hi on April 7. To round out the season, senior life-saving was offered.
