

At three o'clock  
Hughestown's after-  
school activity gets in full  
swing. Whether students are  
interested in playing chess or  
improving their social life,  
there is an organization they  
may join for that purpose.  
Besides its own individual  
clubs, Hughestown of-  
fers groups or-  
ganized on  
a city-wide  
or even na-  
tional basis.  
Clubs such as  
Y-Teens and Hi-Y  
emphasize spiritual  
growth, while Intra-  
City Student Council  
stresses the need for stu-  
dent participation in parlia-  
mentary procedure. Through  
membership in these organiza-  
tions Hughestown citizens devel-  
op understanding, open-minded-  
ness, and dependability, so necessary  
in their future life.
