## French Club

Le Cercle Francais, better known as the Hughes High School French Club, is sponsored by Mrs. Mary S. Howell. The club is open to any student studying or interested in the French language. The meetings are conducted in French.

The French Club was proud to have Dr. Keating, head of the Foreign Language Department at the University of Cincinnati, speak on the writing of French Textbooks.

The French Club always looks forward to the annual Christmas party. This year the Christmas party consisted of a play written by the French students called "Toinette et le Pere Noel." The play dealt with the Twelfth Night celebration. The production was given almost entirely in French and

told of a French girl and her family, and their adventures with Santa Claus. After the play, a cake was served. Like the French custom, a walnut was placed inside the cake. Upon eating the cake, the person receiving the nut became King or Queen of the day.

Aside from speakers, the French Club's program consists of French movies and slides.

In the Spring the annual French Week is held. During this week emphasis is put on France and her customs.

At the end of the year a joint meeting of all language clubs was held.
