Beta Hi-Y

Beta Chapter of Hughes Hi-Y was started two years ago as a feeder club for Senior Hi-Y. It went under the name of Junior Hi-Y, but because of confusion with clubs in the seventh and eighth grades at other schools has since changed the name to Beta Hi-Y. Sponsored by Hughestown mechanical drawing teacher, Mr. Edgar Hare, Beta Hi-Y membership is made up of sophomore and junior boys with good character and scholastic averages of "C" or better. Those who are selected for membership are initiated at a formal ceremony in October at the president's church.

Stressing Christian service, Beta Hi-Y is a very active club. Each summer certain ones of the officers go to a one-week

training session at Camp Nelson Dodd to learn about the practices of other Hi-Y clubs throughout the state in an effort to better the home club. Beta Hi-Y is also active in the Hi-Y basketball league, playing every week at the Central Parkway Y.M.C.A. In April of each year, Beta Hi-Y sends delegates to the Ohio Youth-in-Government program in Columbus. The boys who attend present bills which they have written, elect officers for the session, and learn a great deal about the functions of the state legislature. Other activities include the annual conference of Hi-Y's and the Buildings for Brotherhood cookie sale.
