Tausia strives to cultivate and promote a high standard of friendship among all classes of girls. Tau Sigma Chi was created in the spring of 1927 with this ideal in mind. The originators of the club set these requirements for membership: honesty, integrity, and friendliness, which are still followed today.

The club has participated in many charitable activities again this year, as it has in previous years. The girls contributed a Thanksgiving basket to a needy family, made a visit to Allen House in the spring, and collected money for the crippled children. They also furnished a complete layette for a less fortunate child.

Although the girls are busy with school activities, they take time out to plan their many social events. Some of these events are Christmas and Spring Formals, the Annual "Mr. and Miss Football" Dance in the fall, several date parties, and slumber parties. They also put their best foot forward during rushing and receive their new members with sincerest joy.

The girls of Tausia are very proud of one organization that is closely connected with them—their Mothers' Club.

Tausia serenades a new member.
