Mr. and Miss Universe crowned at Delts' annual "Sputnik Spin".

Delta Chi Delta was founded at Hughes in 1924. Its purpose is to maintain a policy of honesty and loyalty and a life-long friendship among its members.

The social activities of Delta Chi Delta consist of its annual spring formal, date parties and bowling parties held during the year, and the annual mother-and-daughter tea.

Picnics and swimming parties are held during the summer months.

This year Delts sponsored the "Sputnik Spin," which was held in the girls' gym. The winning candidates of this dance were crowned "King and Queen of the Universe."

The main projects of the sorority include selling Easter lilies for the crippled children, donating a Thanksgiving basket for a needy family, going caroling at Christmas time with the Interfraternity Council, and contributing to the Christmas mite boxes.

The Delta Chi Delta pin, which the girls are proud to wear, is made up of twenty-four shining pearls mounted against a black and gold diamond-shaped background.
