Phi Chi was formed by the combination of Phi Epsilon Phi and Chi Delta Beta in 1955. The three pearls in their pin's crown stand for love, honor, and loyalty to God and to one another. They endeavor to bring the girls closer together and to promote their social life.

Throughout the year, Phi Chi has many activities. Some of them are their annual "Mr. and Miss Popularity" Dance, a Christmas formal, and various date parties, slumber parties, picnics, and hayrides. On the evening of the last day of school, the members go to Moonlight Gardens at Coney Island.

Phi Chi has many charitable activities. A trip to Longview and collecting for the Crippled Children's Easter Drive are only two.

In 1957, the girls adopted sixteen six-to-eight-year-old boys at the General Protestant Orphanage to whom they are acting as big sisters. Throughout the year the girls give parties and picnics for these boys.

Two years ago Phi Chi's Mother's Club was formed to help the girls during rushing and with any problems they may have.

Much time is spent on designing and making throw-cuts to support a candidate for a dance.
