Originally an athletic club at Withrow High School, Tri Chi was organized at Hughes in 1946. The three Greek letters, Tri Chi, stand for three openings to a better, more successful life through good character, comradeship, and citizenship. Tri Chi is admired for its rules against smoking and drinking and the boys are constantly striving to live by the high ideals and morals that the club's previous members have established.

Tri Chi's social activities include the annual dances, "The King and Queen of Pledging" and "The Tower Trot." Date parties, picnics, and hayrides also strengthen friendship and loyalty. Besides taking part in all Interfraternity projects, Tri Chi also undertakes at least one useful community or school project.

Tri Chi presents a religious side to fraternal life by conducting an impressive ceremony for formal initiation and by using a prayer at the start of each meeting.

From fall's rush parties to summer's senior party, Tri Chi's are brothers in the real sense of the word.
