

One of the most important programs at Hughes is the guidance program. In the senior high school, the girls receive valuable aid from Mrs. Jean Freshe, the senior high girls' counselor. The boys take their questions and problems to the senior high boys' counselor, Mr. Ralph Loudenslager. Both counselors help students arrange their schedules, aid pupils in making plans for their future after graduation, and find part-time jobs for many students. Much time is also devoted by the counselors to helping students through conferences with their parents.

Mr. Loudenslager and Mrs. Freshe work with the administration on the curriculum and help students adjust to classes.

Counselors Provide Guidance and Understanding For Students' Problems of Present and Future

Directing the same important counseling program in the junior high school are the junior high counselors. Miss Norma Fisher provides valuable advice and counseling for the junior high girls. This year, Hughes has an addition to its counseling staff. The junior high boys, for the first time, have a full-time counselor. Mr. Marvin Rammelsberg, who formerly worked at the attendance center, helps boys to a busier, happier life at Hughes.

Miss Fisher and Mr. Rammelsberg pave the way for girls and boys to enjoy a successful journey through junior high.
