Throughout the year 1960, the band sparkled at various school functions. Under the direction of Mr. Gilbert Curtis, the musicians performed half-time shows at both home and away football games and added spirit to the pep assemblies. Much preparation was needed for the football shows, and in autumn, every day the seventy members of the band industriously practiced their routines at Coy Field from 2:15 to 4:30.

During the year the band also performed at the spring and Christmas concerts, Parents' Night and Merry-Go-Round.

This year for the first time the instrumental department presented a winter concert in which all the bands and the orchestra performed.

The orchestra is made up of the string ensemble and some members of Senior Band. Its most important event each year is playing for graduation.

Senior Band gave the Winter Concert a Mexican atmosphere with its straw sombreros and Spanish tunes.
