

The Hughes Club officers, with their sponsor, Mr. Heink, check the names of the new members.

# Hughes Club

Hughes Club is a service club which was established by Mr. Elmer Kizer in 1919. Juniors and seniors who have a good character and scholastic record are eligible for membership.

The John Alden-Priscilla dance near Thanksgiving is the annual project to make money. The boys have also sold sweatshirts to help pay for their trip to Brown County or Butler State Park in June. This is the event which all of the boys wait for because it gives them a chance to be together for a wonderful week-end of fun.

Each year, the club has sponsored a service project. They have given the school such items as a television set, a typewriter for the annual, and a trophy case.

## OFFICERS
