Founded in 1948 in memory of a great Hughes football coach, "Red" Krueck, and Krueck Club encourages its members to live up to high standards: clean speech, clean living, scholarship, sportsmanship, and willingness to serve. The keys to membership in the Krueck Club are personality, good grades, and citizenship.

Familiar sights in the halls of Hughes are Krueck Club boys selling football and basketball pencils to earn money for the club treasury. At Christmas time, mistletoe is sold at school and the proceeds are given to the Mite Box Christmas Fund.

Meetings are held twice a month, with movies and speakers. Following the meetings are basketball games or swimming, in which all the boys take part.

Krueck Club has been primarily a service club. During past years it has purchased a tape recorder for the stage crew, spotlights for the auditorium, a new flag, and a trophy case for the front hall. The Krueck Club is sponsored by Mr. Robert Keller, mechanical drawing teacher at Hughes.

Herschel Souder sells a basketball pencil to sophomore Dian Branham.
