

Our pretty majorettes add sparkle to the long remembered football games.

"Give me an H" is the cheer given by the Hughes cheerleaders.

## Pep Club

Pep Club, sponsored by Mrs. Diane Ziegler, has as its purpose the boosting of school spirit. Pep Club draws its membership from grades seven through twelve. Pep Club, among other activities, charts buses to out-of-town games, ropes off special Pep Club sections at football games, plans several of the pep assemblies, and sells Hughes booster buttons and ribbons. Pep Club also sponsors Hughes' annual "Red and White Day." Pep Club's main money-making project is the Cupid's Fling dance held in February and sponsored jointly with the "Gargoyle." Winners of its popularity contest are announced at this dance. From these winners a King and Queen of Hearts are crowned. Helping Pep Club to boost school spirit are the cheerleaders and majorettes.

The opportunity to tryout to become a cheerleader is given to all girls in grades seven through twelve. Hughes has three squads of cheerleaders: junior high, reserve, and varsity. Tryouts for majorettes are open to girls in grades nine through twelve. Both the cheerleaders and the majorettes help Hughes students back their teams, win, lose, or draw.
