French Club

Under the capable direction of Mrs. Mary S. Howell, the French Club, or "Cercle Francais," helps give Hughes' French students interesting and entertaining background for their language studies. Officers are elected from the third and fourth year classes, and meetings are conducted entirely in

French. The club members strive to live up to their motto "Noblesse Oblige," and take pride in their blue and gold emblem containing a French fleur-de-lis.

The French people, their life and customs, provide interesting topics for discussion at the club's monthly meetings. A special party is held at Christmas, when a French creche is set up and a French Christmas tree is decorated with ornaments made by the club members. Hot chocolate (a French Club tradition) and Christmas cookies help keep the students happy as they listen to stories of French Christmas customs and sing old French songs. Guest speakers and French movies round out the year's activities.
