Sales Club

The main purpose of Sales Club is to give its members experience in selling and advertising. The club consists of the members of the Sales and Advertising classes. Mr. Sam Skurow teaches these classes and is sponsor of the club.

The members make money by selecting certain products and selling them. Profits from such sales are used for the

club's Annual picture, a party, and donations to various charitable organizations. The club also promotes school sales and activities.

Unlike Hughes' other organizations, Sales Club holds no regular meetings after school. Instead, meetings are held during the period that the class meets. Each class has its own set of officers. Gavel-holder of the third period class is Rodney Richardson. Assisting him as vice-president is Larry Hughes. Janet Daniels and Larry Davis are secretary and treasurer, respectively. In the fifth period class, Douglas Rudisell is president, and Carol Heimkreiter is vice-president. Paul Cosgrove keeps the minutes as secretary, and Essie Helms takes care of the money.
