## Tausia

Tausia strives to cultivate and promote a high standard of friendship among all classes of girls. The founders of the club set high standards for membership: honesty, scholarship, integrity, and friendliness, which still keep Tausia on top today.

The Tausias show their interest in others by participating in such charitable activities as selling Easter lilies for the crippled children, donating a Thanksgiving basket to a needy family, and furnishing a layette for a less fortunate child.

The social events of the year include a Christmas and a Spring formal, the Mr. and Miss Football Dance, date parties, a senior nominating party, and a city-wide convention with the other chapters of Tausia. They also put their best foot forward during rushing to receive the new members with sincerest joy.

The girls of Tausia are especially proud of two things, their Mothers Club, and the pin they wear.

The many happy memories of the Tausia seniors will never be forgotten. Even if it is just a small snowball fight after a meeting, it will be cherished for years to come.
