

Swim Club takes time out from practice to pose for a picture.

Swimming

Swimming was open to senior high girls all year around. The girls met once a week in the boys' swimming pool. Carolyn Clark, sportsleader, was kept busy judging the tryouts for the water pageant given in February. These water pageant mermaids did a fine job in synchronized swimming under the helpful supervision of Mrs. Ziegler, adviser. Later, tryouts were held and the swimming team was chosen. The swimming team practiced hard and upheld the Hughes honor at the meet staged at Walnut Hills High School on April 7.

Modern Dancing

Fifty bodies weave to and fro expressing their feelings as they listen to energetic and then calm music. This is Modern Dance, which was held for two seasons, once a week after school in the girls' gym. Sportsleader Lucrecia Reid led the girls in exercises and Mrs. Diane Zeigler taught the girls various steps and gestures. After a season of training the twelve best dancers were selected to perform at the Modern Dance Symposium, this year held at Hughes. The girls composed their own dance number and Miss Virginia True from University of Cincinnati came over to help them perfect it.

Modern Dance girls practice for "Symposium."
