

Joyce and Gladys Green team up for a game of ping-pong.

Caught having fun while playing shuffleboard are Patsy Peterson and Irene Fischer.

At horseshoes Nettie Smith tries for a ringer as Marjorie Hocker waits her turn.

Individual Sports

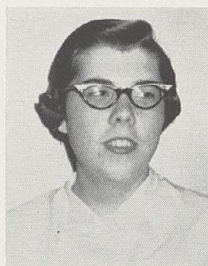

Individual sports kept everyone busy this year. The girls had three sports to participate in, shuffleboard, horseshoes, and ping-pong. Those interested could play all or any number of the sports that they chose. Sportsleader Gladys Green met with the girls on Tuesdays during the first winter season in the girls' gym. Miss Verlie Meyers, adviser, explained the rules of each sport to the girls and gave helpful instructions on how to improve their playing. The girls practiced for several days and then played in an elimination tournament. The individual sports playday was held in May at Lunken Playfield. High schools from all over Cincinnati took part in the Spring Playday.

Badminton

Birdies sailing over the net amid shouts of joy were witnessed by spectators watching the senior and junior high girls practicing for the badminton elimination tournament. Sportsleader Roz Schneider gave the girls fundamental instructions and supervised the tournament. Badminton was held once a week in the girls' gym during the second winter season. This year, along with other late winter and spring sports, badminton was part of the Playday held at Lunken Playfield in the spring.
