

Honor League girls eagerly look forward to the tea given in December to honor mothers and teachers. Former members also attend.

Hughes honor and service clubs offer many fun-filled opportunities for students to enjoy themselves and meet new friends. Honor League, senior girls' service club, holds a Christmas tea each year for its members, their mothers, and the faculty. Senior High Honor Society welcomes honor students at its tea on Valentine's Day. The top ten per cent of the senior class is formally initiated into the Society at a banquet each May. A more relaxed atmosphere prevails at Math Club and Foreign Language Club Christmas parties. G.A.A. girls frolic at their traditional fall picnic in Burnet Woods.

Math Club's Christmas party, a most enjoyable social affair, finds Mary Noland, Betty Hamm, and Alice Heuck ready for re-fills.
