# Young Journalists Learn Qualities of Good Writing

Editors prepare their pages. They are, from left: Nance Muhlberg, Sports; Janice Faulkner, Marcia Gallagher, Feature; Nancy Young, Jo Ann Langenbach, Junior High; Jeanie Johns, Sheila Smith, News.

Lucy Gangloff, Managing Editor, retypes some copy.

From its humble beginnings, the *Gargoyle* has progressed into a thriving newspaper. The first *Gargoyle* was a pocket-sized, mimeographed sheet. Today, the *Gargoyle* is an 11″ by 17″ four-page printed newspaper. Miss Hazel L. Koppenhoefer became the *Gargoyle's* first adviser in 1927. She served in that position until her retirement in 1960. Mr. Donald Imhulse became the new adviser at the beginning of this school year.

# Gargoyle Informs Pupils of Weekly Occurrences

Harry Skiff, photographer, and Diane Deiters, proofreader, refer to a past edition.

Nancy Tobergta, Vickie Withers, and Mary Jane Rietman keep business accounts for the school paper.

The *Gargoyle* has traditionally maintained high standards for 33 years. It has consistently received honor ratings from high school press associations. In 1944, 1952, and 1957 it achieved a Medalist rating from the Columbia Scholastic Press Association. For the last two years the *Gargoyle* has earned a first-class rating from Columbia. The National Scholastic Press Association rated the *Gargoyle* "All American" in 1944, and the Advertisers Club of Cincinnati voted it the Best High School Newspaper in Greater Cincinnati in 1950.

Journalism develops excellence in writing. College-bound students find *Gargoyle* work a help in future years. Weekly deadlines challenge staff members. They use their creative imagination when they write articles and lay out pages. *Gargoyle* workers have found their experiences on the newspaper staff rewarding.

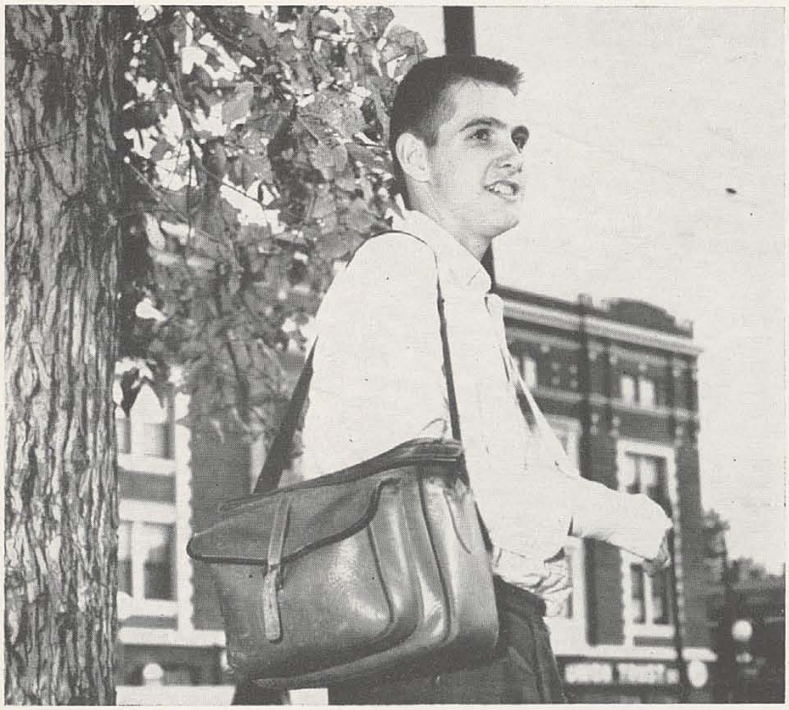
Reporters from left to right are: Brenda Kennedy, Anotonia Hillard, Nancy Williams, Bill Hauser, Marianne Smith, Paul Hopkins and Rita Asher.

Co-editors Bill Wandmacher and Diane Deiters check the "dummy" as John Yeager, co-business manager, and Ray Ertel, art editor, look on.

# 1961 Yearbook Chronicles Rich, Cherished Traditions

"Traditionally Yours" became a reality last May, when editors were chosen, a theme selected and tentative plans for the book adopted. During the summer months Miss Leola Reynolds, Miss Frances Adomeit, Advisers, and Diane Deiters, Bill Wandmacher, Co-editors, constructed a sketch of each section, supplying magazine pictures where actual *Annual* pictures would be placed. Miss Reynolds and the editors then went to Nashville, Tennessee, to construct a final layout of the book.

**Advisers for the yearbook are: Miss Leola Reynolds, editorial; Mr. Clyde Hall, business; and Miss Frances Adomeit, art.**



**Photographer Harry Skiff lets nothing stop him, even a broken arm!**

**Seated:** N. Funk, J. Hasty, J Keller; **Standing:** R. Steele, K. Minneman, G. Hauser, co-business manager, N. Evans, and J. Westerfeld. Not shown is Shirley Roth, typist.

After the school year began, the Annual staff met every day sixth period. Scheduling and cropping pictures, and writing copy, headlines, and captions were the main jobs of the editorial staff. Under adviser Clyde Hall, Business Managers Glenn Hauser and John Yeager, collected money from the Annual Representatives. Miss Adomeit, Art Editor Ray Ertel, and their staff made posters to encourage subscribers and drew pictures for the Annual.

Soon the deadlines drew near, and the staff fretted with various jobs, hoping to complete them in time. The business staff secured "ads", while the editorial staff proofread copy and the art staff made last-minute changes. Finally the last deadline passed, and the staff could only wait for their "little masterpiece".

**Art Staff:** B. Bangston, A. Patterson, S. Puckett. **Standing:** J. Faris.

**Annual Staff Section Heads:**

Chris Siehl, Sports; Alice Heuck, Organizations; Carol Young, Seniors; Elsie Helm, Faculty; Arlene Israil, Underclasmen, and Sandy Bereskin, Junior High.

Miss Matilda Pennington and Mrs. Helen Mason, our busy librarians, work to keep the library in excellent order.

# Memorial Library Houses Tradition

Hughes High School has one of the finest school libraries in Cincinnati. Upon entering the library, one notices the beautiful stained-glass windows, and while browsing around the library, he discovers a wide selection of volumes.

Miss Pennington and Mrs. Mason, the librarians, catalogue books and order and choose suitable books for school and recreational reading. They also help students with reference work for term papers and themes.

# Society Recognizes Honor Students

For the last three years, junior high students with high scholastic averages have been honored by invitations to join Hughes chapter of the National Junior High Honor Society. Miss Jessie Hollweck helps the officers, Tom Barnett, president; Sally Rietman, vice-president; Jane Guentter, recording secretary; Alice Brand, corresponding secretary, and Linda Yelton, treasurer, plan the meetings.

# Honor Society Initiates Top 10 Percent

Hughes Honor Society, based strictly on scholastic averages, was formed in 1948. Senior high pupils maintaining a 3.2 average for half a year are initiated as associate members at a winter tea.

At the end of the year, the top ten percent of the senior class and the six top juniors are taken in as members at a spring banquet.

# Three-Act Play

Sages and Thespians are the clubs for students in the Hughes dramatics department. Under the direction of Miss Frances Haas, the two organizations unite to present school productions during the year.

Sages, a senior high dramatic society, is open to all interested students wishing to become a member. Sages gives the members the opportunity to exchange ideas with others who are interested in bettering their understanding of dramatics.

Thespians is Dramatic Honor Society for students who have received ten points by acting in plays or working behind the scenes. Thespians is a nationwide organization and membership is the highest honor an actor can receive at Hughes.

# Given In Fall; Speech Events Fill Year

**Herschel Souder, Caroline Lohrum, Kellus Vanover and Curtis Chapman are shown in the scene in which the family and its lawyer try to persuade the old man to move. The action occurs in the play, "January Thaw."**

Miss Frances Haas, new head of the Dramatics Department, has done a successful job in presenting the dramatic events of the school. Speech and dramatics give the student an opportunity to express himself. The speech student learns to develop, organize, and deliver speeches. He also studies effective words and types of speeches.

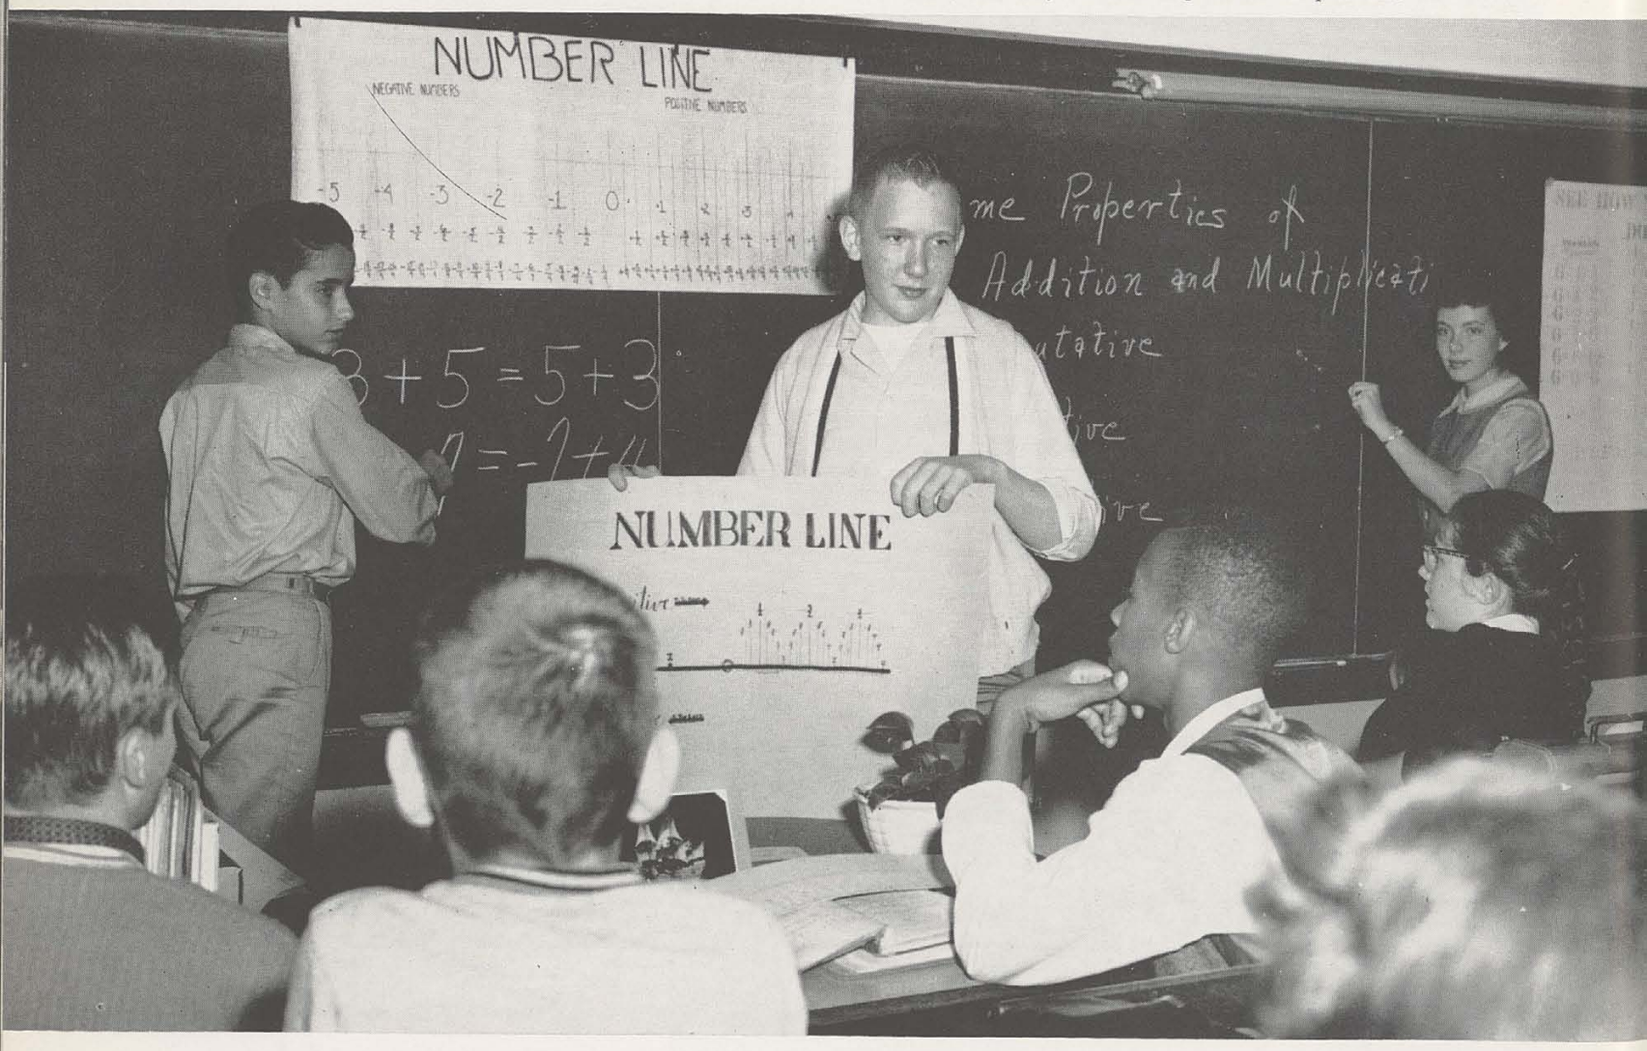
Dramatic students learn how to interpret writings and to study characters in a book or play. The students have an opportunity to develop their self-expression through group discussion, debates, and readings.

During November the Dramatics Department presented a comedy entitled "January Thaw". Tryouts were given in September for any student interested in acting. Members of the cast gave very convincing portrayals of New England characters.

**Jackie Watkins, student director, is ready to help Miss Haas with the production, "January Thaw."**

# Mathematics, Increasingly Important

A study of the Number Line stimulates a lively discussion in one of Miss Beaver's algebra classes. John Fisler, Ken Hall, holding the chart, and Sally Rietman help to answer questions.



Problems in this Spage Age have made Americans aware of the importance of mathematics. More students are encouraged to take as many math courses as possible and to choose courses that best fit their capacities. A group of outstanding mathematics teachers trains students in the fundamentals and guides them through the more advanced curricula. Qualified students may take an accelerated course in math, while other college-bound students may take algebra and plane geometry. For the student going into business, several math courses are offered to help him in the business world. All junior high students are required to take math.

Many of Hughes outstanding math students become engineers, architects, accountants, and math teachers.

# Students Seek Data On Scientific Lore

The Science Department has become a vital department to the school because of the world-wide interest in science. There is a wide variety of courses offered to the student that fit his interests and abilities. Each science course not only teaches the Hughes student facts, but also tries to make him think and use the scientific method.

The Science Department has a display case in the main hall in order to share with all the students the interesting subjects taught in each science course.

# Foreign Language Club Co-ordinates Traditions

At the beginning of this year all the individual language clubs, French, German, Latin, and Spanish, merged to form the new Foreign Language Club, which the various language teachers co-sponsor. The meetings were conducted in English, but at most of the special events each division used its respective language.

Two of the special events this year were a Christmas party and a professional demonstration of Latin-American dances. Members hope that the banquet held at the end of this year will become traditional.

# Languages Introduce World-Wide Traditions

Mr. John Purcell, head of the Foreign Language Department, received his education at the University of Cincinnati and the University of Mexico. He is working for his Master's Degree during the summer at Middlebury College, Vermont.

One aim of the department is to use the same method of teaching each of the modern languages.

A proud tradition at Hughes, carried out on Class Day, is the giving of an award to a senior for outstanding work in a foreign language.

This year students in the club have attended many interesting programs. One of these was the Seventh International Conference on World Affairs, which was held in downtown Cincinnati. The featured speaker was Mr. Herve Alphand, Ambassador of France to the United States.

It is the aim of the Junior Council to get a true picture of the world and its many problems and to make a contribution in solving them.

# Beta Chi Widens Horizons

Many students at Hughes are trained for the business world. A wide variety of courses is offered to the students in the Business Department.

To supplement the curriculum, Beta Chi, the traditional Business Club at Hughes, was founded in 1953 by its sponsor, Mr. Charles Geraci. Members are required to have at least one credit in a business subject with a "C" or better average. The main purpose of the club is to give its members a look into the business world and its opportunities.

The club's activities include trips to industrial concerns in the Cincinnati area, such as Procter and Gamble and the Kroger Company.

Merchandising class meets twice a week. On Monday, Wednesday, and Thursday afternoons the pupils work in local stores. The co-op students earn money while attending high school.

# Stage Crew Has Own Traditions

"Curtain going up!" And another session of hard, tedious work begins for the boys of WTEL, the stage crew. The capable leader of the group is Mr. Willard Kalchek. He is assisted by stage manager, Joe Prows.

The boys are pressed into the service of their school early in the morning before school, during school, and in the evening. A study bell means work for a member of this team. The stage crew boys are often among the last to leave Hughes at night.

With spot lights to direct, stage lights to operate, speakers and mikes to keep in tune, and curtains and backdrops to run up and down, the boys are busy from the moment they arrive until the moment they leave their jobs. Merry-Go-Round, school plays, and various programs in the auditorium keep these Hughes students busy helping at all times.

**Mrs. Caskey gives final approval to meal prepared by her homemakers of tomorrow.**

The Home Economics Department, headed by Mrs. Mary Caskey, offers not only cooking and sewing, but a wide variety of important subjects in the field of home-making.

A tradition of the Home Economics Department is having the girls help make the costumes for Merry-Go-Round.

A club for students interested in home economics is being formed this year. Will this club form new traditions that will be observed by Hughes students in the years to come?

# Talent Discovered Early, Developed to High Degree

Frances Adomeit

Josephine Deutsch

Art is taught in the seventh through twelfth grades. Each student learns the basic laws of designing, becomes aware of objects around him, and realizes the importance of finishing his work neatly and completely.

The Art Department makes many of the attractive posters that can be seen in the main hall.

An old tradition is for the Art Department to decorate the school during the Christmas season. Two festive Christmas trees stood on each side of the main entrance. The colorful banner placed in the front hall proclaimed "Merry Christmas" to all who entered. On each homeroom door hung a fancy Christmas decoration. Attractive table-places added Christmas cheer in the faculty lunchroom. The Art Department also made the Mite Boxes, used for contributions to the Christmas Fund.

# Instrumental and Choral Music

Hughes Junior High is very fortunate to have its own music department.

Miss Josephine Barker has charge of the choral music, which is taught in the seventh, eighth, and ninth grades. The Eighth Grade Choir performed during the Christmas, Thanksgiving, and Easter assemblies given for the junior high students. The Freshman Choir, a group of selected students, takes part in the Christmas and Spring Concerts.

Mr. Curtis has begun a junior band, in order to train students for senior band. The band gives the students an opportunity to play an instrument with other students, to develop his music skills, and to practice marching with a band. The junior high band has its own officers, uniforms, and activities.

Bige Hammons

# Gay Voices Ring

Senior Choir consists of tenth, eleventh, and twelfth graders with a good background in music. These singers entertain students, parents and the public many times during the year. Ensemble is a group taken from Senior Choir to perform when it would be impossible for the whole Senior Choir to participate.

The Music Department is under the direction of Mr. Bige Hammons. Music is taught at all grade levels, and each student strives to become a member of Senior Choir or Ensemble, the climax of his musical education.

A love and respect for music, an understanding of key signatures, musical terms, and a standardized form of pronunciation are some phases of music Mr. Hammons tries to teach each student.

A young tradition at Hughes is for Ensemble to present a Christmas program on WKFC-TV. Excellence in choral music is a tradition of long-standing.

The Hughes orchestra consists of sixteen members. Mr. Curtis, the music director, is trying to build up the size of the orchestra by teaching beginners to play stringed instruments. This year, for the first time, the orchestra participated in the Spring Concert.

Responsibility of senior sponsors toward class ends with graduation.

# Seniors of Sixty-One

The Senior Class of 1961 has upheld the traditional success of the past graduating classes. A busy schedule began early in the year with the appointment of committees and the organization of activities. The first undertaking of the class was its annual Christmas dance. Soon after this the class began its project of the year, the candy sale which provides most of the funds for the Senior Class project.

The class sponsors, Miss Schawe, Mr. Bowers, and Miss Hoffman, senior homeroom teachers, after ably leading and guiding the members of this year's class, will see them through to the end of their high school days. The sponsors fulfill their final responsibilities at the graduation exercises.

Our active senior class officers relax in the front hall before going to auditorium for class-meeting.

After being elected in the spring of the previous year, the senior class officers, Carol Young, Phil Werle, Peggy Rayney, and Dave Gloeckler began working toward the success of the class of 1961.

ALMA MATER

She's the goddess we adore is Hughes,
And we love her more and more, our Hughes.
Oh, we hope to keep her fame
In every kind of game.
And all praise be to her name, Hughes,
Hughes, Hughes, Hughes!

**Best Actor and Actress:** Jackie Hurd and Doug Lane ham it up before another appearance.

**Best Dancers:** George Hoffman and Antonia Hillard cool off their dogs after a real swinging shuffle.

**Most Pleasing Personality:** That could be, but it seems that Marg Lawson is liquidating Roy Skinner.

**Most Athletic:** Well, well, it looks as if athletic Dave Daley has become the victim of girl Hercules, Jan Keller, in the battle of the sexes, as per usual.

# Seniors Vie for Titles In Popularity Contest

Seniors wait throughout the year for one contest which engages all of the class. This is the Senior Popularity Poll. Each year a girl and a boy are selected as most outstanding in various categories. All senior high students participate in the selection through the use of a ballot found in the *Gargoyle*. After an elimination balloting among seniors, the winners are announced at the "Cupid's Fling," a traditional dance held on or near Valentine's Day. This poll has been a tradition at Hughes for many years. We now present the title holders for 1961.

**Friendliest:** Look, Tom Caton and Donna Reaves, you two surely don't look very pleased for this ANNUAL picture!

**Most Likely to Succeed:** Climbing the ladder to success are Bob Beyer and Sandy Bereskin. Watch out for that last step!

**Best Artists:** Mary Jane Rietman and John Thompson are the two to keep the Little Red Schoolhouse that way, and they appear to be doing a good job.

**Best Vocalists:** Annie Walker breaks in her voice as Dave Hudson tries to mend things.

**Busiest:** Jeannie Johns and Dave Ragan take time out from a busy day, or is it always that way at school for you?

**Best-Natured:** Ernest Taylor and Jan Faulkner are studying our feathered friends for nature.

**Best School Citizens:** Billie Strauss gets no help from Russ Smith in tracking down the muddy-footed culprit.

**Wittiest:** Bev Bangston and Bob Courtney are up to their tricks again; better steer clear of these two pranksters.

Nancy Huppertz and Diane Deiters won honors for Hughes this year. Nancy, Girls' Week representative, was elected to City Council. Diane won the National Council of English Teachers Achievement Award.

Tradition dictates that girl graduates wear white dresses and carry red roses. Christine Anger and Phil Werle, class president, agree it's a good tradition.

### Gridders Ahead on Season

The Hughes 1960 football record shows a 5-4 season. A closer look, however, reveals that the Big Reds fielded a team which upheld the fine gridiron traditions of the past. The four teams which defeated Hughes all finished among the top twenty teams in the state. The Big Reds placed third in Public High School League competition with a 4-2 record. Four players received recognition on all-star teams.

### Big Reds Scalp Wapakoneta

In the Pigskin Preview Hughes showed considerable strength in holding Taft to a scoreless tie and then scoring two touchdowns to rout Western Hills.

Hughes displayed a strong offense at Wapakoneta in its opening game. The Big Reds crushed Wapakoneta 24-0. Dave Daley raced 82 yards for a touchdown, Charles Schine and Earnest Kennedy tallied once each, and Tom Mueller and Winston Gray starred both offensively and defensively.

### Competition Proves Tough

Western Hills was Hughes' first league victim. The Hughes defense shone throughout the game. Bunton scored twice and Kennedy once as the final score stood 20-8, Hughes.

An early case of jitters against Middletown lost the game for Hughes, 24-16. Daly and Kennedy scored the Big Red touchdowns.

Hughes' next encounter, with Woodward, found the Big Reds leading, 8-6, late in the game. The stubborn Bulldogs, however, capped a desperation drive by scoring in the last 43 seconds to win 14-8.

### Annex Three League Wins

Withrow bowed to the Big Reds, 18-12. Williams, Taylor, and Kennedy scored touchdowns.

A Daley-to-Williams pass-play accounted for Hughes' 6-0 victory over Walnut Hills. Central was Hughes' next opponent. Gabel and Georgetown led the offensive charge as Williams scored from eleven yards out, and Daley sprinted 37 yards to score. The Big Reds won handily, 14-6.

In the season finale against Taft, the Big Reds spotted the Senators two early touchdowns, though Kennedy's second quarter touchdown made the score 14-8. The second half featured sparkling defense and a late Hughes scoring threat, which ended on the Taft two-yard line. Final score: Taft 14, Hughes 8.

# Small Reserve Squad Falls Before Foes

The Reserve football team, under the leadership of Coach Ron Otto, completed the 1960 season with a record of one victory and five losses. The lone win was a 22-0 taming of the West High Mustang Colts. Woodward and Walnut Hills whitewashed the Big Red Reserves with respective 20 and 28 to nothing shellackings. Hughes' victory over Western Hills was sandwiched in between defeats by Withrow and Central. Hughes was on the short end of 30-8 and 20-6 scores. The opening game with Taft saw the Big Red Reserves narrowly miss getting into the victory column; final score: Taft 18; Hughes 16.

This year's small squad practiced faithfully and developed teamwork to make themselves ready for varsity play.

### Freshmen Football Season

The freshmen football team, coached by Lester Monk, had a fifty-fifty record as they won two games, and dropped two games. The encounter with Heinold ended in a 24-24 tie. Hughes was shaded by Bloom, 13 to 6 and white-washed by Porter, 20 to 0. The Little Reds rolled over Gamble and West High, with scores of 24 to 6 and 18 to 6.

### Seventh and Eighth Grade Team

The seventh and eight grade football team closed the 1960 season of five games with a perfect record. This team, ably coached by Mr. Richard Miller, also won all of its games last year. Hughes triumphed over Walnut Hills by a score of 20-6, whitewashed Western Hills 7-0, blasted Woodward with a 20-0 victory, and beat Walnut Hills 28-6. The closest game of the year was the Baby Reds' 6-2 victory over Gamble. Gamble was leading 2-0 with two minutes remaining when Pete Halverson scored the decisive touchdown with a thirty-five yard run.

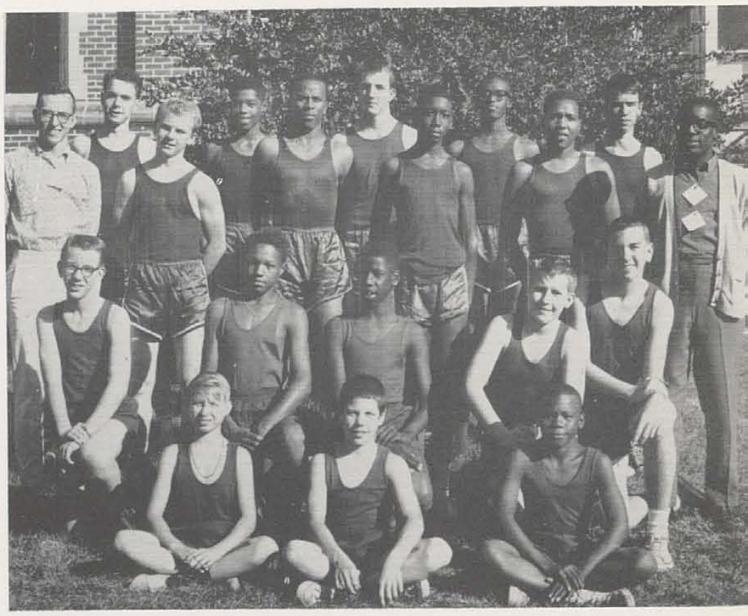
**VARSITY TEAM—Kneeling:** C. Binion, A. Ransick, D. Greenman. **Standing:** H. Tolliver, Assistant Manager; S. Davis, A. Schneider, P. Schultes, R. Jones, D. Bartholomew, R. Winters, Manager.

Coach Paul Richert did a creditable job of training the Big Reds' cross-country team, as Hughes won third place in league competition, following only Taft and Withrow. The stalwarts of the squad were: Alan Ransick, Pete Schultes, Danny Bartholemew, Al Schneider, Ron Jones, Shelby Davis, and Curtis Binion.

The Big Reds finished third in the first league meet with 87 points. Schultes finished second, with Jones, Bartholomew, Davis and Schneider also scoring.

In the second meet, the Big Reds again placed third with 71 points, with Schultes again bagging second place. Jones finished eighth while Ransick, Bartholemew and Schneider followed.



**RESERVE TEAM—First Row:** K. Maxey, L. Byrd, G. Williams. **Second Row:** M. Paul, J. Salter, R. Mallory, P. Lock, D. Gobel. **Third Row:** R. Winters, Manager; R. Bosse, C. Holland, C. Wills, D. # of Regular League Competition

In the third meet Hughes, with 66 points, finished second only behind a talented Taft team. Ransick captured fourth place; Schultes, sixth place; and Bartholemew, fourteenth place. Jones and Binion also scored for Hughes. Hughes had a total of 224 points for three meets and third place in the P.H.S.L.

The Big Reds took sixth place, with 182 points, in the Southwestern District Meet. Alan Ransick finished sixth. For this performance he attended a state meet at Columbus.

### Reserve Harriers Disappoint

The Hughes Reserve Cross Country squad, also coached by Paul Richert, ended the season fifth in rugged P.H.S.L. competition. Shelby Davis, Don Greenman, Cliff Wells, Buford Bryant, Ed Zins, Don Kinley, Ray Ertel, Roy Paul, Noah Frye, Charles Holland, and Jack Shaffer made up the squad. In the first P.H.S.L. meet the reserve harriers ran home fifth. Ertel, Davis, and Greenman scored for Hughes. The second meet also found the reserves finishing fifth out of a field of seven teams. In the third and final P.H.S.L. meet, the reserves again grabbed fifth place. Davis, Greenman, Wells, Bryant, and Zins finished for Hughes in that order.

Coach Richert has last minute instructions for the Big Red harriers.

# Hoopmen Find Difficulty

The Hughes basketball team finished the season with a record of three wins and fifteen losses. Though hampered by a frequently penetrated defense, Hughes' offense was one of the more powerful in the city. Despite the record, the Big Reds lived up to the Hughes tradition of true sportsmanship.

In the first encounter, Monroe led most of the way, and a fourth-quarter Hughes rally fell seven points short, 65-58.

The second game pitted Hughes against Roger Bacon. Hughes was behind 39-33 at the half, and an inspired team effort proved too much for the Big Reds. Hughes lost, 82-71.

### Team Starts Poorly

Anderson provided the competition in the third game. Hughes started slowly, and a second quarter spurt still left them behind at half. In the second half, Anderson played excellent control ball, and won handily, 72-60. Standley dumped in 23 points, and Caton added 18.

Hughes' first league game matched them against a powerful Withrow team. Playing inspired ball and employing a sticky defense, the Big Reds tied the Tigers at the end of regulation time. In the overtime, Withrow outscored Hughes by two points and won, 70-68, in a thriller. Standley led the team with 28.

The next game, at Central, found the Knights baffling Hughes with their defense and holding a commanding lead throughout the contest. Ragan's 11 points, Caton's 13, and Standley's 23 were not enough as Hughes bowed, 84-62.

### Big Reds Win Two

The Big Reds invaded Springfield North to capture its first win of the season. Balanced scoring assured Hughes of the win: Caton had 10, Mineard 16, Standley 12, and Allen 16. The Big Reds won easily, 66-56.

Behind a 29-point performance by Bob Standley, Hughes whipped Walnut Hills, 68-52. The outcome was never in doubt as the Big Reds made it two straight victories over the hapless Eagles.

The Senators of Taft opposed Hughes next, at Taft. The Senators, though never ahead by much, led at half, 26-24. Standley's 22 points and Ragan's 11 points enabled Hughes to keep close in the second half, but the Big Reds couldn't close the gap as Taft won, 62-58.

A tenacious zone defense sprung by Woodward threw the Big Reds off balance in the next game. Though the first half ended with Hughes only three points down, the Bulldogs won going away, 65-51, as Bunton collected 18 and Standley added 11.

**Top—Bunton's controlling tip once more gets Hughes off to a good start.**

**Middle—Mineard screens as Dave Ragan deftly drives around a Taft defender.**

**Bottom—Chalk up two for Hughes, as Tom Caton's shot heads for the hoop.**

# Chalking Up Victories

A valiant attempt against Western Hills ended in frustration and defeat. The highly-touted Mustangs jumped to an early lead but were overtaken by the Big Reds before the half. Standley's 28 points and Caton's 18 points helped Hughes maintain the lead, but a desperation rally by Western Hills put the Mustangs on top, 80-79.

At Withrow, the Big Reds could not overcome an early lead forged by the sharpshooting Tigers. Withrow pulled steadily away and won handily, 92-81. Standley took game scoring honors with 30 points, while Mineard and Gloeckler added 14 and 8 points, respectively.

### PHSL Too Tough

Hughes again met Central, and again were soundly thrashed to the tune of 93-68. Caton collected 10, Mineard 17, and Standley 28, but Central's all-court press sounded the death knell for the Big Reds.

St. Xavier, the next foe, squeaked by Hughes, 69-67. Standley's 28 points kept the Big Reds within striking distance, before a few lucky breaks decided the game in the closing minutes.

A potent Hughes team crushed Walnut Hills for the second straight time, 71-45. Standley dumped in 27, and Caton and Allen collected 11 points apiece. Hughes led 41-22 at halftime and continued its mastery throughout the second half.

In the next game, the Big Reds encountered Taft. The tall and talented Senators led at half, 36-30, and then pulled steadily away. Standley's 27 points, Allen's 11, and Caton's 10 were futile as Taft won, 74-60.

### Settle for 6th Place

An early Hughes lead of 12 points was destroyed by a Woodward all-court press. The Bulldogs, down 35-29 at half, bounced back to subdue Hughes, 66-58. Hughes featured balanced scoring as Bunton had 16, Caton 15, Allen 12, and Standley 11 points.

Western Hills opposed Hughes in the last regular season game. The Mustangs opened up to a 42-26 lead at halftime, and then coasted to an 81-70 victory. Bunton and Standley led in scoring with 20 points apiece, with Caton canning 17.

Hughes faced second-seeded, heavily favored Taft in the State Tournament. An early Senator lead melted as a determined Hughes squad rallied and led at halftime, 31-26. The Big Reds widened the gap until late in the second half, when they led 60-49. Then Taft scored 14 straight points to clinch the victory, 67-66. Glorious in defeat, the Big Reds displayed a team effort traditionally Hughes.

# Reserve Cagers Finish Fifth in League

The Little Reds were coached this year by Mr. Lester Monk. Mr. Monk is a biology teacher at Hughes and last year coached the Hughes tennis team. The Reserves won three games and lost thirteen during the '60-'61 season. Although their record is down somewhat from last year's, when they won five games and lost ten, the Reserves still managed to finish in fifth place in the league.

The closest and by far the most exciting game for the Reserves during the season was played against the Bulldogs of Woodward. The game was tied at the end of regulation play and went into overtime. With 47 seconds left in the overtime, Woodward led 37-36 and Hughes called time-out. Coach Monk called for Bill Reese to take the last shot. Unfortunately the ball bounced off the rim and the Bulldogs went on to win the game.

Mike Hardman, a member of the Reserve squad, was asked to dress varsity for the tournament game. The twelve players of the Little Reds are going out next year for the varsity basketball team in hopes of bolstering the Big Reds for '61-'62.

**FRESHMAN TEAM—Kneeling:** M. Crowell, R. Leigh, R. Woods, J. Feisler, J. Jones, M. Daniel. **Standing:** R. Cunningham, D. Goebel, T. Jackson, J. Gerdon, D. Garland, G. Miller, N. Carns, Coach Richard Miller.

The freshman basketball team, coached this year by Mr. Miller, finished in sixth place in the Western League. The Frosh won four games and lost twelve during the '60-'61 season. The two highest-scoring junior high players, Tony Jackson and Don Goebel, piled up 172 and 163 points, respectively. Coach Miller hopes that the '61 Frosh will strengthen next year's reserve squad.

Coach Jack Cook took his 7th and 8th grade team into the quarter-finals of the championship after a poor season.

# Tracksters Anticipate Winning Season

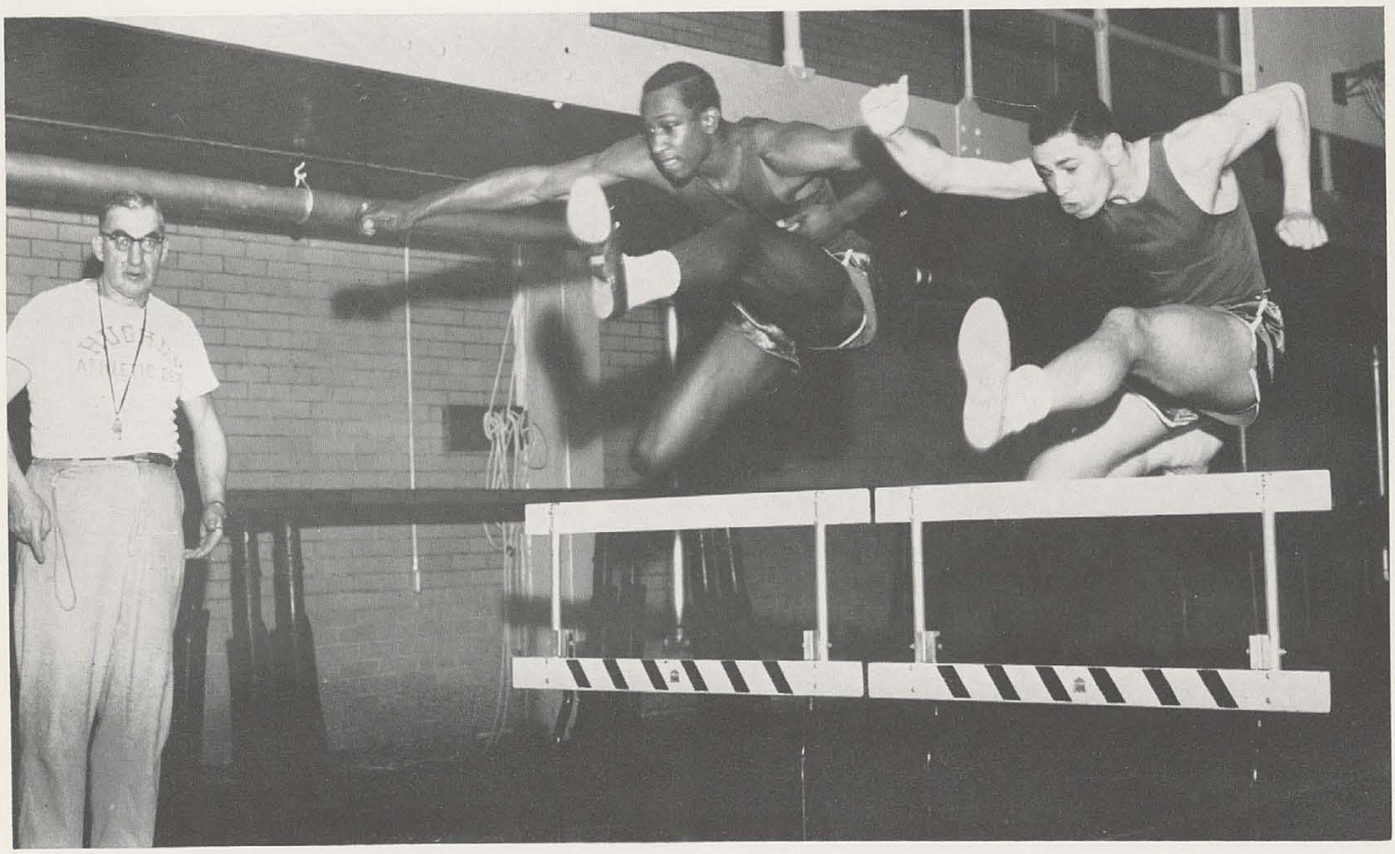
### Wind Up in Runner-up Position

Power from returning lettermen will be the watchword for the Hughes Big Red cindermen this year. An outstanding group of athletes graduated last year but the incoming boys from lower grades, who were taking a back seat to the seniors last year, have the opportunity to shine this year. After a good season last year the cindermen of 1961 will have much to live up to.

Coach Paul Richert will greet returning lettermen Pete Schultes, Earnest Kennedy, Sam Rhoden, Roger Bunton, Dave Daley, and Ron Jones. These boys, along with others, will form the body of the 1961 track team. The running events will be among the strongest for Hughes and will offer the greatest potential as far as scoring points is concerned.

Ron Jones will be running the hurdles for the tracksters in such events as the 220 and 440 hurdles. Pete Schultes, Dave Daley, Don Hardy, and Sam Rhoden will provide power in the sprinting events and the relays. Field events will call on the strength of the team in general. Shot put, discus, pole vault, high jump and broad jump are among the field events which face the boys.

Many junior high boys practice every afternoon for different track events. Training and competition during seventh, eighth and ninth grades develop potential Varsity athletes in both running and field events.



**Coach Paul Richert checks out Roger Bunton and Ron Jones on the hurdles at indoor practice before track season opens.**

Last season the cindermen had to cope with the power of a Taft team, which ranked among the top teams of the state. Hughes was forced to take a back seat to the Senators in every meet in which both teams participated. The Knights of Columbus Meet gave the Hughes team its first chance to display its power. In the PHSL Invitational Meet Hughes took secnd place as in the K. of C. Meet, scoring 40 points to Taft's 70. Withrow then put on a display of power and overtook Hughes in the PHSL Championship Meet.

The Hughes track team has a tradition behind it of six championships in the last 24 years. Individual athletes have set fifteen track records in the same period of time.

# Merry Mermen Get In the Swim of Things

### Wingard, Champion Swimmer, Ends Big Red Career

With Cleon Wingard's final year of competition, a full team effort was put forth by the Hughes mermen as they strove to better last year's record. Coach Hundemer welcomed returning lettermen, Bill Wandmacher, David Hudson, George Pemberton, David Farris, and Cleon Wingard, who accounted for all points scored by the Hughes team.

Cleon took on all comers in the 200-yard freestyle and was undefeated in the City and District Meets. He placed fourth in the State Meet.

Bill Wandmacher picked up points in the 100-yard backstroke and butterfly during the PHSL meets. The seniors and one sophomore, Lonnie Person, formed the 200-yard relays in the freestyle and medley. Wandmacher, Wingard, Pemberton, and Hudson formed the medley relay, while Wingard, Wandmacher, Farris, and Person made up the freestyle relay.

# Golfers and Netmen Take to Outdoors

At publication time, the Big Red racketeers, under Coach Burley Grimes, were beginning another season of play. The outlook for the team is bright, as the squad is strengthened by the return of senior lettermen Doug Lane, Russ Smith, Art Fuller, and James Joshua. Also on the team are Dave Ridge, Larry Brown, Dan Bartholemew, Bill Moore, and Jack Baker.

With the coming of spring, the golf fever hits followers of the sport everywhere, and Hughes is no exception. The Hughes golf squad is capably advised by Mr. Morgan Jones, a faculty member and professional golfer. The squad consists of seniors Tom Mueller and Phil Werle; juniors, Chris Rennegarbe and Fred Wescoe; and a lone sophomore, Dave Curry.

# Pitchers, Fielders,

This year, the outlook is bright for the Hughes sackmen. The return of seven lettermen has bolstered the squad considerably: Bob Courtney, Cliff Bell, Dick Richter, Dave Gloeckler, Mel Johnson, Jim Laseke, and Darryl Allen. Of these boys, Courtney, Johnson, and Bell have been elected co-captains. Add fourteen other boys to these veterans, along with Coach Otto, and you have a potentially strong team in capable hands.

The team prowess is highlighted by Bob Courtney's and Jim Laseke's excellent pitching, and Mel Johnson's dazzling infield play. Cliff "Punchy" Bell and Darryl Allen displayed strong hitting during the pre-season practice session. Dick Richter, a first baseman with power, also contributes heavily to the Big Red offense.

This year, the Hughes sackmen have been practicing five hours a day. There are few sure positions on the team, as Coach Otto has given every boy a fair try-out. A couple of infield positions, an outfield spot, and the catching are uncertain. The first game, April 4th at Coy Field, however, will find Hughes ready for Sycamore. Another winning season is anticipated, as the Big Reds material is of championship caliber.

Last year, Hughes had a winning season with a 15-10 record. The Big Reds came in second in PHSL competition for the third straight season, tying Taft with a 7-5 league record.

**"Now this is what the game is played with!" says Coach Ron Otto to keystone man, Mell Johnson.**

Early in the season Jim Laseke gets in some practice trying to learn the technique of laying down a perfect bunt.

# Hughes Athletes Earn Sports Letters

**These H-Club members are proud of the records set by Hughes athletes and of trophies won by Big Red championship teams through the years.**

H-Club was founded in 1948 by Mr. Kindschy and is presently sponsored by Mr. Will Hundemar. Membership is open to those boys who have earned and received a letter—"H"—in any of the various sports.

The H-Club has as its purpose:

To make possible an organization of athletes which will have prestige and high standing in Hughes for all races, colors, and creeds.

To have a club for which any boy is eligible providing that, by his own effort and achievement, he has won a varsity letter on any recognized athletic team.

To encourage and create a stronger desire for the boy who hasn't won his letter to try harder and put forth more effort in order to become a member.

To create an "all for one and one for all" spirit so if a boy starts to have difficulties in school, his fellow lettermen will help him to get back his interest.

To maintain a club which will promote leadership, poise, stability, clean living, and a desire for further education.

The sale of basketball programs and the Queen of Sports dance are two main activities in which H-Club takes part. Inter-club basketball was first introduced to the club this year. By playing basketball after the bi-weekly meetings, everyone becomes active in the club.

# G. A. A. Active Under Board Leadership

The Girls' Athletic Association, founded in 1937, has continued through the years to encourage girls to participate in many sports. Sportsmanship is greatly emphasized in all G.A.A. activities and in their motto:

"For when the one great Scorer comes
To mark against your name,
He marks not if you lost or won
But how you played the game."

This year's G.A.A. officers were Jan Keller, president; Reenie Fitzgerald, vice-president; Annie Ellis, secretary; Nettie Smith, treasurer; and Lottie Jenkins, activities chairman. The officers were assisted by an executive board made up of the sportsleaders.

# Junior High Officers Plan Varied Program

This year the Junior High G.A.A. is separate from the Senior High. The officers were elected at the end of last year's season by all the junior high members, using secret ballot.

The officers elected by members of G.A.A. were Sandy Weishaupt, president; Sheryl Weishaupt, vice-president; Jerri Smith, treasurer; Margaret Hoff, secretary. The executive board met to plan the activities for G.A.A. and also to plan the season schedules.

The sportleaders helped to plan the tournaments for their particular sport. The sportleaders for Junior High G.A.A. for this year were Jane Guentter, volleyball; Melvia McMickle, basketball; Linda Yelton, softball; and Cheryl Armstrong, soccerball.

Under the supervision of Mrs. Wertz, the Junior High G.A.A. ran smoothly and successfully.

A popular sport not only among the senior high girls, but also the junior high girls is volleyball.

The girls in the seventh, eighth and ninth grades were guided by Mrs. Pauline Wertz. Jane Guentter worked with Mrs. Wertz to help the girls in serving and other techniques. When the girls were accomplished in volleyball, they were ready for playday, which was held at Hughes this year in both the girls' and the boys' gyms.

On Wednesday Mrs. Pauline Wertz would be out coaching the seventh and eighth grade girls in soccerball. The sportleader, Cheryl Armstrong, was on hand to give the girls assistance.

The season closed with a playday, held at Western Hills.

# Volleyball, Softball Encourage Fair Play

One of the most popular of the G.A.A. sports, as proved by the large number of girls who came out for it, was the fast-moving game of volleyball.

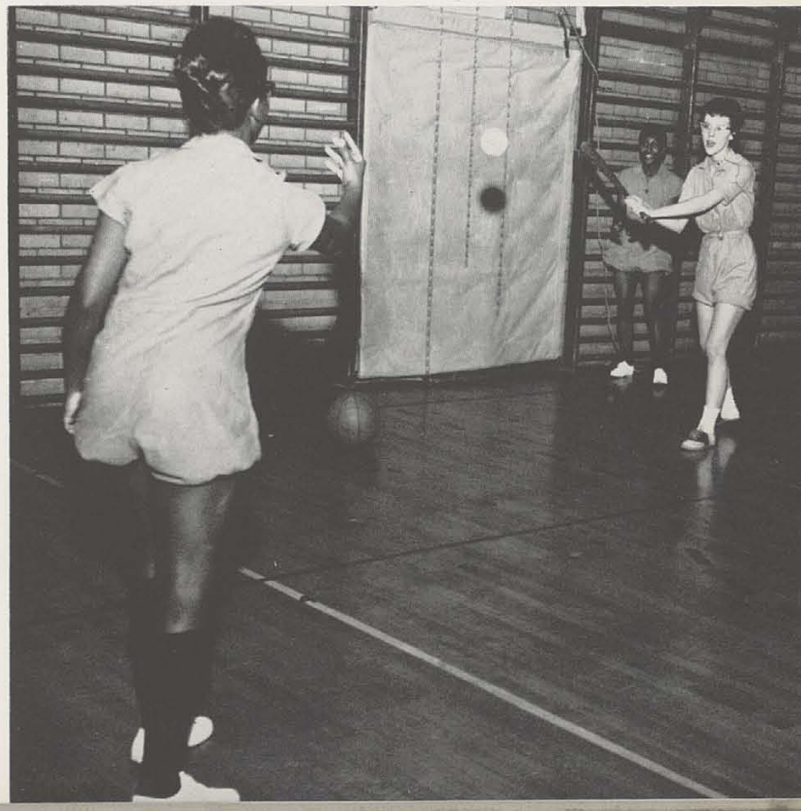
Under the leadership of Lucy Gangloff and the coach, Miss Meyers, the girls were taught the finer points of volleyball and how to work as a team. Such terms as "net ball", "let ball," and "spike" became part of the everyday jargon of the girls. Practice was held every Tuesday and Thursday in the girls' gym.

When the first sign of spring came, the girls were out carrying the gloves, bats and balls to Fairview Field.

"One! Two! Three!" was the count heard from the field, every Tuesday and Thursday after school. If any coaching was needed, Miss Meyers was always there. The sportleader, Bonnie Kraus, gave assistance.

At the end of the season the girls showed their skills by competing against other schools on playday. G.A.A. chartered a bus to take the girls to Lunken Airport Playfield.

**Willie Moorer pitches to Bonnie Kraus in a practice game in the girls' gym.**

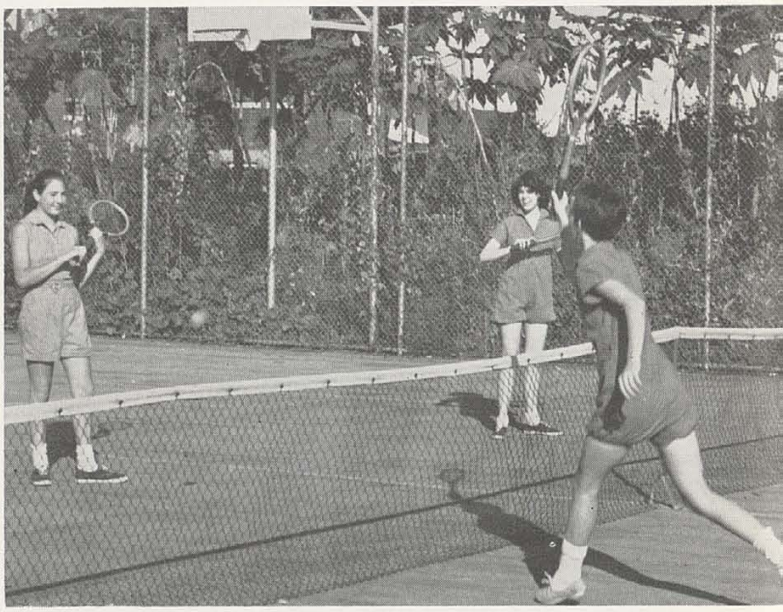


# Springtime, Time for Tennis

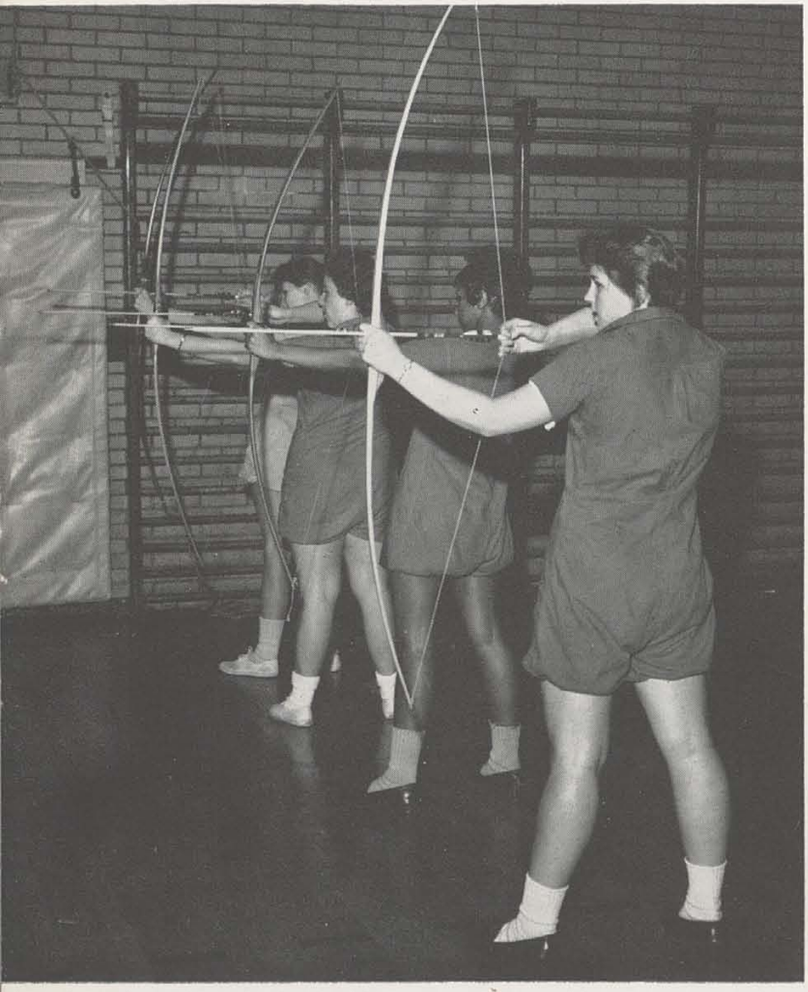
During April and May, the girls traveled to the Coy Field tennis courts to practice their skills at this invigorating sport. Mrs. Wertz taught girls to serve with accuracy and speed, placing the ball in the corner hardest for the opponent to reach. Then she demonstrated both the forehand and the backhand return, as well as other strokes essential for a good game.

All of these practices were put to use in a tennis tournament, where the girls chose partners and competed in "doubles".

Enthusiasm ran high on Mondays for, on that day, Kay Aldridge, sportsleader, and her eager troupe, full of the necessary vim and vigor, enjoyed perfecting their tennis form.



**Bonnie Kraus returns the ball!**



# G. A. A. Girls Hit Target!

"Watch the windows!" During the first few weeks of archery practice, this shout could be heard coming from the girls' gym.

Miss Meyers instructed the girls to have full control of the bow. Then the girls looked forward to the target tournament in which the girls shoot from 30, 40, and 50 yards away. The girls shoot five arrows to each round and three rounds to a tournament. Each week a tournament was held for each of the three distances. The tournaments lasted for three weeks. The winner of the tournament was the girl who accumulated the highest total of points. The points were determined by the different colors on the target, each of which represent a certain number of points. The points were totaled and the winner acclaimed!

**S. Cavallo, C. Mapes, A. Ellis and M. Fitzgerald practice hitting the target.**

Mrs. Pauline Wertz, Miss Verlie Meyers and Mrs. Diane Ziegler look over March schedule of playdays and tournaments.

# Sponsors Help Plan Tourneys

The sponsors of G.A.A. for 1961 were Miss Meyers, Mrs. Ziegler and Mrs. Wertz. The sponsors worked with the sportleaders in planning the tournaments. G.A.A. could not have been a success without them.

Miss Meyers saw to it that basketball, badminton, hockey, softball and volleyball were well-organized this year.

Mrs. Ziegler instructed life-saving and modern dance and swimming for two seasons.

The junior high sponsor was Mrs. Wertz, who organized the officials' club, new at Hughes this year. Junior high team sports and tennis were also supervised by Mrs. Wertz.

The Hughes G.A.A. swim team is supervised by Mrs. Ziegler. To make the team, the girls must pass tests consisting of speed and form qualifications. These tests include swimming twenty yards freestyle, back stroke, breast stroke, and butterfly for speed and twenty yards trudgen crawl.

Team Captain Nance Muhlberg and Mrs. Ziegler helped to improve the girls' strokes. The team practiced every Thursday in the boys' pool. Then all G.A.A. swim teams from the city competed in a city-wide intramural swim meet to compare their abilities in diving, racing, and free-style.

# Swimmers Try New Strokes

To start a relay race, N. Muhlberg, S. Keller and M. Green get ready to dive in.

Vera Walker, in front, leads members in a dance. They are: M. Anderson, J. Slayton, J. Mitchell, D. Crum, P. Ciers, M. Burns, M. West, and G. Hall.

# Girls Dance in Rhythm

G.A.A. girls wearing gleaming black leotards and casting shadowy patterns on the girls' gym floor make up the modern dance class.

Mrs. Diane Ziegler teaches the girls graceful steps of self-expression. Splits, pirouettes, cartwheels, handstands and balancing are only a part of the varied program of modern dance.

After many hours of practice, the Hughes girls begin to appreciate each movement and gesture. They look forward to the annual modern dance symposium, really a concert in dance, held in the spring. G.A.A. girls from all the public high schools participate.

# Officials Learn Rules, Practice Refereeing

New for G.A.A. this year was the Officials' Club, organized to help the sports program run more smoothly. The members were senior high girls only. Each season, girls met on Mondays to learn the rules for their particular sport. With the help of Mrs. Wertz, the girls learned the signals for volleyball, basketball and softball. Next year the girls will possibly learn the rules for hockey.

The members officiated junior high games on Wednesdays. On Tuesdays and Thursdays the girls officiated the senior high team sports.

With whistles in hand, members of Officials' Club check some unfamiliar rules.

Girls learn to serve the "birdie."

# Form, Fitness Required

Every Monday the girls met to practice badminton. Miss Verlie Meyers taught the girls the fundamentals of the game.

Badminton is another form of tennis. The rackets used in badminton are smaller and lighter. Instead of a ball, a "birdie" is used.

This year badminton was among the games played on Playday held at Lunken Playfield in the spring.

# Hockey and Basketball

One of the hardiest games in G.A.A. is hockey. Only the sturdiest and most courageous members turn out for this sport. On Tuesdays and Thursdays the faithful members of the Big Red hockey team worked at perfecting their techniques.

The girls play field hockey with a ball, not ice hockey with a puck. Each team consists of a goalie, two guards, two forwards, two wings, and a center.

Annie Walker held the position of sportleader this year, and Miss Meyers acted as instructor and adviser.

Betty Payne tries to get the ball away from her opponents.

# Attract Many in G. A. A.

Basketball is a favorite sport of the girls of G.A.A. With Lucy Gangloff as sportleader, the girls take over the gym twice a week to play for a championship. At the end of the season the girls play against different schools on play day.

The biggest event of the year is the "Battle of the Sexes" in which the girls' honor team plays the boys' varsity. The girls usually manage to win and celebrate their victory with the "Mr. and Miss Hughes" dance.

# Work of Band Wins Admiration of Spectators

Mr. Curtis is in charge of the bands and orchestra at Hughes. He plans all the programs given during half-time at football games and at pep assemblies. He also plans the music to be played by the band at the Christmas and Spring Concerts. Mr. Curtis has been at Hughes for three years, during which time he has devoted much effort to improving the quality of the band.

There are three main divisions of band. First, there is the beginners' band for students beginning to learn to play an instrument; next, the junior high band serves those who can play instruments in a creditable manner; finally, senior high band is for students who are in senior high and are more advanced in their music.

On October fourteenth all the Cincinnati Public High School bands participated in Band Night at Trechter Stadium. Students and faculty experienced a great thrill of pride and admiration as they watched the Big Red musicians perform.

Pep Club, founded by Mr. Robert McSpadden and Mr. Milton Anderson in 1951, encourages school spirit, enthusiasm, sportsmanship and loyalty among Hughes students. This year, with the leadership of Mrs. Diane Ziegler, Mr. Melville Byles, and Mr. Robert Bradford, membership exceeded 1000. This is one of the largest totals on record.

Pep Club sponsors chartered buses to out-of-town games, pep assemblies, a special Pep Club section at football games, and the traditional "Red and White Day". Members sell Hughes ribbons, shakers, and buttons.

Pep Club and the *Gargoyle* staff sponsored the "Cupid's Fling" dance in February. At this dance the winners of the Senior Popularity Contest were announced. Marge Lawson and Art Fuller were crowned King and Queen of Hearts this year.

The executive board consists of sophomores, juniors, and seniors. It sponsors the cheerleaders and Pep Club guards. The club donates to the Hughes Christmas fund, sends the cheerleaders to a city-wide Cheerleading Clinic, and enables the drum major to attend a summer camp.

# Cheerleaders Aid Teams to Victory

The 1961 Varsity Cheerleaders, under the direction of Miss Verlie Meyers, practiced two days each week during the summer and school year. They helped to cheer the Big Reds on to many victories.

In the picture at left are: Mary Ann Green; Carol Young; Diane Owens; Alice Heuck, Captain; Sheila Smith; and Jeanie Johns.

Drum Major James Youngblood and the majorettes perform at concerts as well as on the marching field.

# Marching Majorettes Bring Color to Games

The marching majorettes always added color to the Hughes football games. From September through November, they spent their sixth periods practicing with the band, under the direction of Mr. Gilbert Curtis. When they weren't making formations with the Senior Band, they were studying under the watchful eye of Dottie Moeller. Dottie was graduated from Hughes in 1958. As Head Majorette at the University of Cincinnati, she coached the girls with their style, rhythm, and poise.

This year's majorettes are: Captain Carolyn Cook, Carolyn Koch, Jerri Madill, Paula Neumann, Betty Quillen, Diana Schneider, and Pat Willmoth. Although the majorettes are not directly associated with Pep Club, they participate in all Pep Assemblies and add spirit to football games.

# Pep Club Promotes Exuberant Spirits

The Junior High Pep Club was newly organized as separate from the senior high group. Under the leadership of Mrs. Diane Morand, an executive committee consisting of four members from each of the junior high grades is writing a constitution and planning an election of officers and a membership drive for next year.

This year's activities have included a junior high pep assembly in cooperation with the Junior High band, cheerleaders, and majorettes, and a bus trip to the Schwab basketball game.

Student Council, composed of representatives elected in each homeroom, is the governing body of Hughes High School. The council was organized in 1945. Miss Gladys Kloak supervises the council and its many projects. This year the Senior Student Council representatives sold Idjit Injun mascots to many Hughes students.

The Executive Board, composed of eight representatives, planned meetings and activities. The Board managed the Lost and Found, the Leadership Conference at which Mayor Bachrach spoke, and the Classical Assembly. The Board also saw that the emblems of all Hughes clubs were hung on the Alcove wall and that the point system honored all active Huzites.

# Presidents' Council Co-ordinates Events

Presidents' Council, a comparatively new club at Hughes, was organized in 1959. Its purpose is to help co-ordinate the activities of Hughes' many organizations. The president of each club is automatically a member of the Council and the president of the Council becomes a member of Senior High Student Council Executive Board. The two clubs work together to solve problems.

This year's officers were Nancy Huppertz, president; Dave Hudson, vice president; and Emily Arns, secretary. Mr. Paul Bowers is the Council's sponsor.

# Interfratority Council Governs Clubs

Interfratority Council, the governing body for Hughes' sororities and fraternities, is under the leadership of Miss Dorothy Hoffman and Mr. Paul Bowers. The council promotes a better co-operation between the school and social clubs.

At Christmas the sororities and fraternities go caroling together. At the end of the year the club gives a worthy senior a scholarship.

Ever since the junior high was added to Hughes, representatives from the seventh, eighth and ninth grades have led their classmates through the work of the Junior High Student Council. The Council accomplishes much in the improvement of the school through the various projects.

Sponsored by Mr. Joseph Prior, the Junior High Student Council Executive Board plans the many useful projects which the Council undertakes. The board consists of officers and members at large of the Council and is ably presided over by Dan Goebel.

These officers, assisted by Mr. Heink, sponsor, help Hughes Club to reach high goals and maintain long-standing traditions.

# Hughes Club Sets Goals

Hughes Club, one of the oldest clubs in the history of Hughes High School, was established as a service club by Mr. Elmer Kizer in 1919. Junior and senior boys who maintain a good character and scholastic record are eligible for membership.

The John Alden-Priscilla dance given near Thanksgiving is their traditional money-making project. The boys use this money for their trip to Brown County State Park in June and to support a project for the use of the school.

They have given the school such items as a television set, a typewriter for the annual, a trophy case, and this year a gift of $250.

# Hi-Y Emphasizes Good Character

**These officers, with the help of Mr. Bowers, sponsor, have guided the club in its many projects and activities.**

Hughes Senior Hi-Y was founded in 1943 by Mr. Paul Bowers, the present sponsor. Its purpose is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character. Good grades, good character, and participation in outside activities are required for membership. Hughes Hi-Y received a high honor when it was chosen over fifty other Hi-Y clubs in Hamilton County to induct new members in a cermony at the Masonic Temple before 800 prominent YMCA officials.

This year the boys went caroling with Senior Y-teens to Drake Memorial Hospital, Wesley Home, and Good Samaritan Hospital.

A traditional club at Hughes is Senior Y-teens, a high school organization connected with the Young Woman's Christian Association.

The Y-teens strive "to build a fellowship of girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

To promote this purpose, the Y-teens along with Hi-Y make annual visits to Drake Hospital, Wesley Hall Home, and Good Samaritan Hospital. This year Senior Y-teens sponsored the "Mr. and Miss Popularity" dance to help support their service projects.

# Huzettes Visit Children's Home

Huzettes, a girls' honor and service club, is open to sophomore and junior girls who have maintained a B average. Huzettes strives to promote good citizenship, leadership, and friendship among its members. The club's main purpose is to be of service to the school and the community. Under the guidance of Miss Ann Rasche, the club meets twice a month.

All members are taken into the club at a special tea, held in the spring of the year. At this ceremony new officers are also installed. Both new officers and new members receive corsages. A special event in the fall of each year is the tea the girls give in honor of their mothers. Huzettes' teachers are also invited to this tea.

# Krueck Boys Start Needed Project

Krueck Club is an honor club for freshmen and sophomore boys maintaining at least a 2.8 average. The club, which is now sponsored by Mr. Robert Keller, was started in 1948 by Mr. Howard Grimes in honor of a former outstanding Hughes coach, Mr. Edward "Red" Krueck.

The club stands for clean speech, clean living, clean sportsmanship, clean scholarship and a willingness to serve. As always, its members sold football and basketball schedule pencils. At Christmas time the boys sold mistletoe, with the proceeds going to the Hughes Christmas Fund.

Their projects of past years included the buying of a trophy case for the front hall, a scoreboard for the boys' gym and a tape recorder for the stage crew.

At the end of the year everyone attends a picnic at Burnet Woods. The highlights of this get-together are a baseball game between the freshmen and sophomores and the election of officers for the coming year.

Hughes Honor League, an organization for senior girls, emphasizes service and honor. In the spring all juniors with a "C" average or better are invited to join Honor League. The new members then elect fifteen girls to the Executive Board.

The first two weeks of school fifty Honor League girls, wearing bright red arm bands, serve as Freshie Aids by directing new students around Hughes. All members are assigned "little sisters" whom they take to the traditional "Big and Little Sister Party" and with whom they become good friends. Each year the club sponsors a candy apple sale, gives Thanksgiving baskets to needy families, and has a Christmas tea, a Spring Fashion Show, a breakfast, and at the end of the year, a picnic.

Honor League Executive Board, meeting the second Tuesday of each month, forms the governing body of Honor League. Any girl initiated who has a "B" average is eligible to be nominated for the Board. The Board, with the help of Miss Aria Parke Schawe, supervises the various activities.

The members attended the FTA traditional city-wide get-together in the autumn and visited the College of Education at the University of Cincinnati in the spring. A man from Thailand attending the University of Cincinnati, a professor from Miami University, and a language teacher from HUGHES spoke at various meetings. Two impressive ceremonies held during the year were the annual initiation of new members and the installation of club officers.

# Operate Own Business

Junior Achievement is a nation-wide organization sponsored by different businesses in the city. The purpose of the club is to acquaint youth with the proper business procedures in running a profitable business.

A charter is drawn up and officers are elected. The board members then decide upon the product, the name of their company, and the number of articles they will need to sell in order to make dividends possible for the stockholders. Billie Strauss wears a print raincoat with matching cap.

Veramae Crawford is all ready to travel in a chic wool suit.

Bonnie Schott, left, and Marcia Hollstein model formal and informal apparel alike.

Proceeds from Honor League's annual fashion show go to scholarships for two senior girls. The awards, of 25 dollars each, are presented on Class Day.

Honor League is a service club for senior girls with a "C" average. Traditional projects include a Big and Little Sister Party, Christmas Tea, Fashion Show, Thanksgiving Basket, and Spring Initiation.

# Honor League Donates Funds to Scholarships

Betty Quillen, Alice Heuck, Billie Strauss, Beverly Bangston, Carol Young, Bonnie Schott, Veramae Crawford, Marcia Gallagher, and Anna Spottswood show formals and party dresses available to Hughes girls at a local department store.

Marcia Gallagher models a black basic dress with checked coat, while Alice Heuck, left, reminds senior girls of upcoming graduation.

# Dances, Parties Offer Recreation for Active Huzites

Latin Club members, wearing togas from early Rome, gather refreshments at an Ides of March party.

Miss Gladys Kloak, sponsor of Math Club, pours punch at the Math Club Christmas Party.

Senior high students dance at the traditional "Cupid's Fling", where Senior Popularity winners are announced.

Junior high boys learn the latest dance step at the Honor Society Dance, December 16.

Upperclassmen enjoy a slow dance at Pep Club's Cupid's Fling held at the U. C. "Y", February 10.

Ninth grade boys tell their Christmas wishes to Mr. "Santa" Prior.

# Junior High Girls Perform at Games

Jerri Smith, Linda Yelton, Cheryl Armstrong, Cherl Weishaupt, Sally Rietman are the junior high majorettes.

The Junior High School has been well represented this year by their cheerleaders and majorettes. The five junior high majorettes practiced hard two days each week during the summer and school year under the direction of Mr. Curtis, band teacher. Dottie Moeller, former Hughes graduate, has helped them to become fine twirlers. The majorettes performed at an assembly and football game marching with the Junior Band.

The eight junior high cheerleaders chosen at the beginning of the year cheered at all the seventh and eighth grade and freshmen football and basketball games. To keep in shape, they practice every Monday after school under the guidance of Mrs. Wertz, gym teacher.

Donna Warren, Carol Yeager, Kay Napier, Cynthia Dock, Susan Bales, Carol Johnson, Sandy Weishaupt, Carol Schell, junior high cheerleaders.

# They Cheer at Reserve Games

**Reserve Cheerleaders—Left to Right:** David Roark, Karen Merchant, Marilyn Grimm, Sharon Rue, Marilyn Schweiters, Joyce Zapf, Philip Holt.

Health Careers Club, formerly a branch of Future Nurses, was organized in 1958 for students interested in becoming nurses, doctors, pharmacists, or medical technicians. Meetings held twice each month are supervised by Miss Nurre. This year members heard a speaker from Christ Hospital, visited the Home for Muscular Dystrophy, saw health films, did volunteer work in hospitals, and took part in a Career Day.
