Men Faculty Follow Sports

The men of Hughes are a sports-minded group. Among these teachers almost every conceivable sport is indulged in and enjoyed. Two loyal fans of the Cincinnati Reds and Royals are Mr. Otto and Mr. Strahler. Another sports fan, Mr. Miller, doesn't always have time to attend these games, as he often announces the University of Cincinnati's basketball games over its radio station. Mr. Hannum sees a basketball game from a different part of the gym as he referees high school basketball. Thus the sports arena becomes filled with Hughes men teachers.
