

Next to scoring touchdowns, Dewitt's favorite occupation is reading the musical scores Mr. Curtis places in front of him at band practice. Lanny Roberts (left) is another senior in the well-trained trombone section.

*"My father helped me pick my instrument, but I had to learn to play it myself."*

Along with many other seniors, Dewitt takes socio-economics problems. Mr. Gray is willing and able to answer the many questions which arise in discussions about the economy and the people of our country.

*"Mr. Gray has given me much assistance in my study of socio-economics."*

Selecting and ordering senior announcements requires the volunteer services of seniors, and Dewitt obliges. His most difficult customer was friend Larry Moye, who wanted to inspect every sample in the folder!

*"No, Larry. I can't give it to you for free!"*
