Fifth Place For Harriers

Under rigid competition the 1962 Hughes harriers, coached by Mr. Paul Richert, placed fifth in the over-all Public High School League standings.

In the first cross-country meet of the year Hughes, led by Ray Persons and Danny Bartholomew, copped third place. The Big Red harriers finished fifth in the first and second league meets at Avon Fields. In the Franklin Invitational, Hughes gained tenth place out of fifteen competing teams. In this meet Danny Bartholomew, in establishing a Hughes record, was clocked in a fast 9.54. The final city meet found the Big Reds again in fifth place, far behind powerful co-champions Withrow and Walnut Hills. In the district meet at Avon Fields, a fired-up Hughes team placed eighth among fifteen teams.

The reserve harriers ran daily with the varsity at Burnet Woods. Although their efforts don't affect varsity results, the boys do compete in separate meets with the reserve teams of other schools.

Letter winners included Danny Bartholomew, Ray Persons, Herb Thompson, Paul Harris, Larry Miller, John Ziegler, and Brooks Hammonds.
