

Girls' Athletic Association Active

This year's Girls' Athletic Association Board was headed by (from top to bottom in the picture): Jandyl Muhlberg, President; Kay Aldridge, Vice-President; Lorraine Steele, Secretary; Betty Sullivan, Treasurer; and Ruby Benton, Historian. With the help of these officers and the Executive Board, consisting of the sportsleaders and the advisers, G.A.A. had a very profitable year. Everyone enjoyed the playdays and activities held during the year.

Girls' Athletic Association activities for the year included a picnic, which took place at Burnet Woods. A bake sale and apple sale were conducted in the fall. During the winter months most of the playdays were held. Five or six teams participated each time. They played approximately ten games apiece. This year's G.A.A. came out on top in every sport.

Without the help of the G.A.A. advisers, the playdays could not have been the success that they were. Each adviser was in charge of a different sport and helped the sportsleader with the attendance and the demonstrations.

In November, many people attended the successful record hop.

The Battle of the Sexes, which had not been sponsored for several years, proved to be enjoyable, both for the G.A.A. girls and the faculty volleyball team.

The Mr. and Miss Hughes dance ended the G.A.A. program for the year.

Mrs. Libbert, Mrs. McKibben and Mrs. Kaichen, advisers for G.A.A., look over the list of girls for honor teams in volleyball and basketball.
