

During Rookie Week, band rookies must carry mints and gum for every senior band member or receive demerits and stand before the senior judges in rookie court. Band officers presiding are: Carol Taylor, Treasurer; Linda Howard, Vice-President; Lanny Roberts, President; Loretta Baker, Secretary.

The unique patterns displayed by the band at half-time performances at football games were planned by Mr. Curtis early in the summer. In the middle of August the band was notified and the "fun" began.

At the end of the season, the band gave a party for Mr. Curtis in appreciation for his many late hours of work for the band.
