Cheerleaders Work Hard

The Sweethearts of Pep stand by the Hughes Big Reds through losses and wins. The Hughes cheerleaders attend every game and show off the new cheers that they learned at the University of Cincinnati's cheerleading clinic. The clinic was held in September and two cheerleaders from each school were chosen to cheer at the U. C. homecoming game.

Each cheerleader received a silver megaphone from the sponsor, Mrs. McKibben, for Christmas. As a return gift, the girls presented Mrs. McKibben with an engraved trophy. In appreciation for their cheering at basketball games, Coach Rolfes gave the girls a beautiful box of Valentine candy.

"Oh! We're out to win, O crimson team. Oh! We're out to win tonight." And Hughes seemed to do just that when the majorettes were chosen.

Hughes fielded a bevy of blonds and brunettes, perky little girls with fast-twirling batons and plenty of pep.

Led by Captain Linda Howard and Drum Major Tom Barnett, with heads held high, the majorettes marched proudly onto any football field, gaily displaying their red and white costumes and marching ability. Between halves the Hughes crowd screamed for a few bars of the sensational Twist Time Twist, just to watch the majorettes in action.
