Mermen Gain Experience

In the first meet of the season, the Little Red mermen were trounced by a powerful Walnut Hills squad. The second meet saw the Mustangs of Western Hills splash by Aiken and Hughes by accumulating 36 points to Hughes' 18.

In the first dual meet, Coach Strahler's mermen were edged by Withrow, 42-37. In the three city meets, the Walnut Hills Eagles emerged as P.H.S.L. champs while Hughes swimmers finished sixth.

The last meet failed to produce a winner for Hughes, as Walnut Hills stroked to victory in the Invitationals.

Mrs. Shirley McKibben sponsors the Junior High Girls' Athletic Association.

Some of the sports for the girls are volleyball, soccer, basketball, softball and swimming. The girls participate in the local sport playdays, which are held at various high schools.

For the second straight year, roller-skating, a new intramural sport, was held in the girls' gym and proved to be a popular pastime for both senior and junior high students.

Other intramural sports include archery, bowling, checkers, and badminton.

Girls Like Sports, Too

Do you hear the strains of music filling the areas adjacent to the girls' gym? Boys and girls from both junior and senior high reach school bright and early to fasten on roller-skates and start the fun. Mr. Don Hanon, popular mathematics teacher, supervises this intramural event.
