

Mr. Sutton's Leadership Moves Hughes Forward '64

Leading Hughes through a bright and promising '64 has been our principal's goal since September. Cooperative effort among the total school population has produced satisfactory educational progress. The accomplishments

of Mr. Sutton's sixth graduating class bring a feeling of pride to students, teachers, and administrators, alike.

Now, in June '64, the Hughes red and gold banner with the motto "Deo et Patriae" still flies high!
