

## *Mr. Hobson, Mr. Jones Supervise All Student Activities*

Congratulations to Mr. Richard Hobson for his firm and friendly direction of 1,471 tenth, eleventh, and twelfth graders. Dedicated to the task of helping students, Mr. Hobson is assistant senior high principal and principal of Hughes Evening High School. So many hours are spent in carrying out all his duties that little time is left to pursue his hobbies of music, reading, and carpentry. His talent for getting things done is known and appreciated by everybody at Hughes.

Mr. Dale Jones has capably taken over the reins of junior high principal. He came to Hughes this year from Central, where he functioned as assistant principal, after having taught technical and food chemistry.

An active community leader, Mr. Jones is membership chairman of the Schoolmasters Club of Greater Cincinnati. He serves as a church-school superintendent and for several successive summers has worked at Proctor and Gamble as a chemist.

**Mr. Dale W. Jones**  
Bachelor of Arts in Chemistry  
and Zoology  
Bachelor of Science in Biology  
and Physical Sciences  
University of West Virginia
