

IN MEMORIAM

To RALPH L. LOUDENSLAGER

Counselor and friend of Hughes boys, 1946-1964

They came for help; he gave it in full measure
Along with hope and insight's growing treasure.
He listened carefully, and then he guided
Confidently; soon their fears subsided.
Reassured, they spoke and plans were made
By boys who grew to manhood, unafraid;
Or if they feared, remembering their friend
Who bravely faced his problems to the end,
They thought and think of words he did impart.
He counseled, then as now, from heart to heart.

Emilie W. Bullock

Mr. Loudenslager, faithful to Hughes as a counselor since 1946, will be missed, for he gave a great deal of himself to the students through his work. Many boys have obtained scholarships and jobs with his help throughout the years.

Mr. Loudenslager, a native of Halleck, Minnesota, got his master's degree at the University of Kentucky. Before coming to Hughes, he had been a mathematics and science teacher in Kentucky and Georgia since 1926.

The Ralph L. Loudenslager Scholarship Fund was established in lieu of flowers. It will be used to help some student in furthering his education next year.
