

## *Members Strive For Excellence in Study of Spanish*

Mr. Wynn, the new adviser for "El clubo del espanol" provided a new social activity for the students—a Chili Supper! Held in February, entertainment ranged from Spanish food and music to movies of colorful Spain. Members hope to make this an annual affair.

The newly-organized Hughes chapter of the National Honorary Spanish Society inducted into membership ten honor students.

## *German Language Study Enhanced by Club Activities*

Under the leadership of Mrs. Douglas, the German club elected its officers, President Jerry Green, Vice-president Mike Francis and Secretary-treasurer Francis Dick, early in the year.

At Christmas the club had a party and Mrs. Douglas provided German cookies of Weihnachts Stalle, Lebhucken and Pfifferhucker as refreshments.

A May Day planned this year showed the German Club's originality in native dress.
