Interest Aroused By Junior Council On World Affairs

The most exciting event for Junior Council was the annual World Affairs Institute held in March at the Netherland Hotel. Six delegates chosen by Mr. Gray, sponsor, attended along with eight hundred other students from four states, Kentucky, Indiana, West Virginia, and Ohio.

Guiding the club through another successful year were Theresa Battle, President; Florence Gaines, Vice-President; Leslie Murrell, Secretary; and Janice Darden, Treasurer.

Girls' Homerooms Buy Most Annuals In Each Grade

These girls are the representatives from each grade who sold the largest percentage of Annuals. Senior homeroom 100 is first, junior homeroom 308 and the sophomores of 221 follow. The junior high homerooms are next with ninth grade homeroom 17, seventh grade homeroom 324, and eighth grade homeroom B-1.

Enthusiasm, persistence and cooperation make these homerooms leaders in ANNUAL subscriptions.
