Hughes Harriers Have Hard Season

Mr. Rolfes, physical education instructor, coaches cross-country.

The Hughes harriers, coached by Mr. Frank Rolfes, gave a good account of themselves despite a seventh-place finish. The Big Red teams trained faithfully and practiced strenuously at Coy Field.

The most consistent runners for the team were John Ziegler, Herbert Thompson, Woodrow Fairbanks, and Bill McElory.

In the opening practice meet at Greenhills, the first Hughes man to cross the finish-line was John Ziegler. He placed fourth in the over-all competition. Second and third places for Hughes were taken by Bill McElroy and Woodrow Fairbanks, respectively.

In the first Public High School Meet of the year, the Hughes cross-country team compiled a total of 146 points, placing 22nd in the meet. The team finished just four points behind Woodward.

The District Meet was held at Avon Fields in October, with nineteen schools participating. Hughes, with a total of 252 points, finished tenth. John Ziegler came in first for Hughes and nineteenth in a field of 130.

The final Reserve meet of the year found Gregg Ziegler, John's younger brother, finishing first for Hughes and ninth in the over-all field of runners.
