

The Hughes tennis team for the 1962-63 season finished fourth in the Public High School League. The team was composed almost entirely of seniors, leaving this year's team with only one returning player.

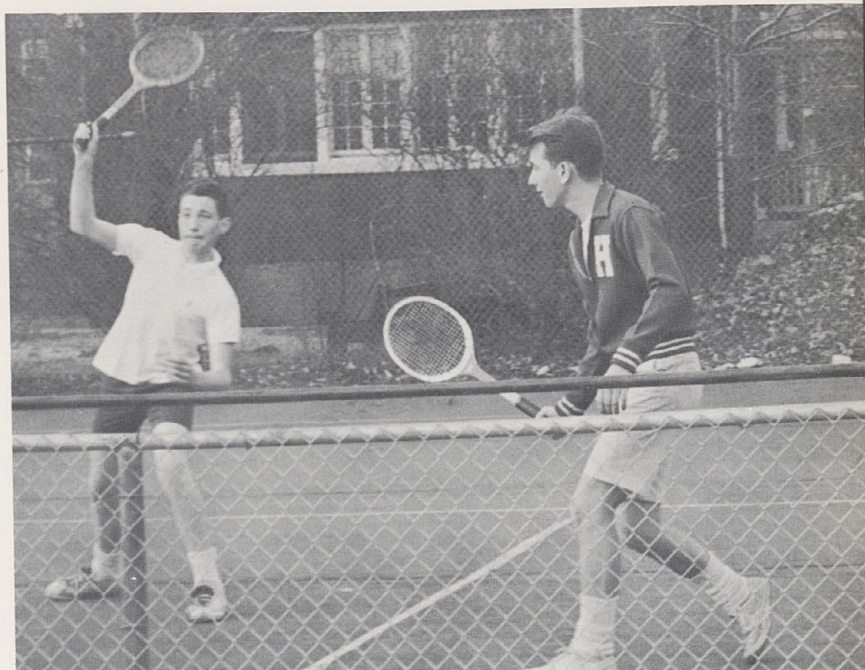

The '64 squad is a young team made up of all sophomores and juniors, with no seniors on the roster.

As we go to press the team has played six matches, winning two and losing four.

A tennis match consists of three separate singles matches and two doubles matches. The singles players are Fred Lane, Bruce Taylor, and Larry Strausbaugh. Ron Kennedy and Terry Greer make up one doubles team; Randy Foit and Bill Goetz, the other.
