## *Junior Band Members Encouraged to Develop Their Skills in Music*

The Junior High Band is made up of students who desire training and help in playing musical instruments. Many join Senior Band later. Several musicians participated in contests for instrumental solos and ensembles.

Mr. Curtis supervised the work of two student teachers from University of Cincinnati.

"Let's make it a little louder!" urges Mr. Curtis. He explains to Andy Macdonald and Joe Meischke how to make the drum roll.

The Clarinet Trio, Cathy Tilford, Kathy Moerlein, James Perry, won an Excellent Rating at Greenhills on February 15.
