

Mr. Sutton Completes Fourth Year as Principal

The goddess we adore . . . a symbol representing all the wonderful traditions which have helped to make Hughes High School graduates such fine people. Each individual alumnus has had certain motivating factors which have encouraged him to do his best in the classroom or on the field. The characteristics developed as an undergraduate carry us through the years and make us what we are. For this we thank you . . . oh goddess we adore.

Edwin Sutton Jr.

Mr. Sutton makes an emergency announcement over the public address.

A graduate of Hughes, Class of 1932, Mr. Sutton attended the University of Cincinnati, where he earned the degrees of Bachelor of Arts in Science, Bachelor of Education, and Master of Education. His teaching career in Cincinnati included teaching in junior high schools, serving as assistant principal and principal of various schools, and holding a position with the Board of Education before he returned to Hughes as principal.

Under Mr. Sutton's leadership Hughes continues to graduate outstanding students equipped to succeed in college, in a career, and as citizens bringing honor to "the goddess we adore."
