Coach Otto's Reserves Break Even in Grid Campaign

L. Watts rounds right end for a sizable gain against the Taft reserves. The game was won by Hughes, 20-6.

Reserve football, which trains players for the varsity, did just that at Hughes this year—and in fine fashion! The Reserve gridders under the able coaching of former Hughes football standout, Ron Otto, showed their desire, spirit, and talents, plus a 3-3 record. Hughes' three victories showed a strength of offense, totaling 66 points to opponents' 19 points. In the Big Reds' three losses, Clifton Furr and Lonnie Persons, outstanding on defense all season, helped to keep the enemy scoring to a mere 28 points.

The first clash pitted Hughes against the reserves of Woodward in the lowest-scoring game of the campaign. After four quarters of clean, well-played football, Woodward emerged victor, 3-0. Hughes' first victory was an impressive 25-6 win over Walnut Hills. After losing to Central 12-7, the Big Red Reserves bowed to a strong Withrow eleven by a score of 14-0. Western Hills provided the team's second victory as Hughes crossed the goal-line three times, running the final score to 21-13. The Big Red Reserves closed out the season by scoring 20-0 shutout victory over the Reserves from Taft. Members of the '61 Reserve football team are looking forward to playing Varsity ball in the future.
