## Sackmen Wield Big Bats

The Hughes baseballers, coached by Mr. Ron Otto, anticipate a successful season this year. The twenty-man 1962 squad hopes to better the 13-10 record of last year's team. Practice began March 1, and Coach Otto has kept up strenuous calisthenic drill, batting and fielding practice, plus lengthy track running. The Big Reds have high hopes in their returning outfielder, Darryl Allen, who last year showed outstanding slugging power.

In the past few years, many Hughes sackmen have played with Bentley Post, the National Junior Champions, and the University of Cincinnati.

Coach Otto played football, basketball, and baseball here at Hughes, and baseball and football at the University of Cincinnati, while majoring in physical education.

Jim Gum, Coach Ron Otto, Darryl Allen, and Bob Stoess look over starting lineup for an upcoming game at Coy Field.

The bulletin board for intramural announcements in front hall is put to good use by students, among them, Roger Pepples.
