

C. Mapes, Vice-President; M. Fitzgerald, President; Miss Meyers, Adviser; M. Ratliff, Secretary; K. Aldridge, Historian; L. Jenkins, Treasurer.

Shirley Jenkins fights for the ball as Willie Moorer successfully passes it to her team-mate in hopes of a goal.

Hockey Begins GAA Year

With sweatshirts, shin guards, and hockey sticks, each participant proceeded to Fairview Park, eager to play the rough game of hockey. With such a display, everyone was well aware that G.A.A. was in full swing for another year of sports, bruises, and fun. Linda Clark assisted Miss Meyers on Tuesday and Mrs. Wertz on Thursday in demonstrating dribbles, passes, and shooting technique. The girls were successful this year at playday. The "A" team won both games while the "B" team won one and tied one.

Margaret Walker sees a perfect set-up for a spike and takes advantage of the opportunity while her team looks on.

Volleyball Tests Skill

Whistles blowing, girls yelling "Set 'em up," and balls flying through the air were enough to tell anyone that the second season of G.A.A. began with volleyball. This was a very popular sport. Marcene Mooney, sportsleader, was kept busy helping Miss Meyers on Tuesday and Mrs. Libbert on Thursday explain the rules and set up equipment. Intramural teams were chosen to play one another, so the girls could acquire such skills as passing, spiking, and good team work to be ready for play day in early January. This year playday was held at Central and Hughes was very successful. Out of sixteen games, the girls won ten, tied two, and lost four to take second place.
