

After successfully tying up the ball, a jump is taken. Mrs. Libbert, acting as referee, supervises the play and yells advice to both teams during basketball.

## Dribble! Shoot! Basket!

"Strike three—you're out!" was often heard at Fairview Park where G.A.A. practiced softball this year. Miss Meyers coached this sport, assisted by Melrose Thrower. The girls learned to keep their eyes on the ball, to hit, pitch, and catch with skill. The season's climax came when Hughes participated at Lunken Playfield.

Basketball, an exciting and popular sport, was played on Tuesday and Thursday after school. The girls soon developed skills in dribbling, passing, and pivoting. Finally, the big moment came when they were placed on teams to practice for playday at Walnut Hills. Sportsleader for '62 was Margaret Walker. Miss Meyers acted as adviser.

## Wow! It's Really A Homer!

Sportsleader Melrose Thrower, at bat, and Carolyn Mapes, catching, engage in some hitting practice.
