## Dancers Glide In Rhythm

Under the supervision of Mrs. Libbert and Mrs. McKibben, girls for modern dance practiced hard to achieve light steps and graceful movements for the dance symposium.

They learned to express their feelings as they listened to

many different types of music. Modern dance was held once a week for two seasons. Bev Laney and Gloria Hall were sportsleaders.

## Cupid's Around

Under the instruction of sportsleader, Candie Hudson, G.A.A. girls learned to have full control and an even aim in archery. Practices were held every Monday.

In the picture at the right are Rowena Lewis, Carolyn Mapes, and Candie Hudson.
